EXPLANATION

Cite this publication as Minnesota Statutes
1985 Supplement, Section _____

Minnesota Statutes 1985 Supplement contains the laws of a general and permanent nature enacted at the 1985 Regular Session and 1985 First Special Session of the 74th legislature. It supplements Minnesota Statutes 1984.

Laws that amend sections or subdivisions in Minnesota Statutes 1984 are published with the numbers of the amended sections and subdivisions. Where all subdivisions of a particular section are not included in this supplement, their omission is indicated in the following manner: [For text of subds 3 and 4, see M.S.1984]. New laws have been classified and numbered in conformity with the numbering system of Minnesota Statutes. Repeals of sections and subdivisions of Minnesota Statutes 1984 are shown. At the beginning of each chapter of the supplement is a list of sections included which are new or have been amended or repealed.

Changes or additions to court rules since publication in Minnesota Statutes 1984 have been supplemented in Volume 9.

A table of allocation of 1985 acts is included, preceding the index in Volume 10, listing section numbers of enactments published for the first time in this supplement.

New statutory text in this supplement is indexed in Volume 10.

The text of all laws and resolutions passed at the 1985 Regular Session and 1985 First Special Session of the 74th legislature has been published by the revisor of statutes in Laws of Minnesota 1985.
