## EXPLANATION

---

Cite this publication as Minnesota Statutes,  
1977 Supplement, Section \_\_\_\_\_

This book contains the laws of a general and permanent nature enacted at the 1977 session of the 70th Legislature. It supplements Minnesota Statutes 1976 which embraces the laws of a general and permanent nature in force at the close of the 1976 session of the Legislature.

Laws amendatory of laws contained in Minnesota Statutes 1976 are published with the same statutory number. Where all subdivisions of a particular section are not included in this Supplement, their omission is indicated thus: [For text of subs. 3 and 4, see M.S. 1976]. Newly created statutory provisions have been classified and numbered in conformity with the numbering system of Minnesota Statutes. Repeals of Minnesota Statutes 1976 are shown. At the beginning of each Chapter of the Statutes there appears a listing of sections included in this Supplement which are new or which have been amended or repealed.

A table of Allocation of 1977 Acts is included, preceding the index, listing the coding of enactments not previously included in Minnesota Statutes and published for the first time in this Supplement.

All statutory text in this Supplement is indexed, whether new or amendatory.

The text of all laws and resolutions passed at the 1977 session of the 70th Legislature has been published by the Revisor of Statutes in Laws of Minnesota 1977.
