EXPLANATION

Cite this publication as Minnesota Statutes,
1979 Supplement, Section _____

This book contains the laws of a general and permanent nature enacted at the 1979 Regular Session and 1979 Extra Session of the 71st legislature. It supplements Minnesota Statutes 1978 which embraces the laws of a general and permanent nature in force at the close of the 1978 session of the legislature.

Laws that amend laws contained in Minnesota Statutes 1978 are published with the same statutory number. Where all subdivisions of a particular section are not included in this supplement, their omission is indicated thus: [For text of subds 3 and 4, see M.S. 1978]. Wholly new laws have been classified and numbered in conformity with the numbering system of Minnesota Statutes. Repeals of sections and subdivisions of Minnesota Statutes 1978 are shown. At the beginning of each chapter of the supplement is a list of sections included which are new or have been amended or repealed.

A table of allocation of 1979 acts is included, preceding the index, listing the coding of enactments published for the first time in this supplement.

All statutory text in this supplement is indexed, whether wholly new or amended.

The text of all laws and resolutions passed at the 1979 Regular Session and 1979 Extra Session of the 71st legislature has been published by the revisor of statutes in Laws of Minnesota 1979.
