103C.235 STATE AGENCIES TO COOPERATE.

State agencies which have jurisdiction over or administer state-owned lands, and agencies of a county, or other governmental subdivision, that have jurisdiction over or administer county-owned or other publicly owned lands that are in a district, shall cooperate with the district boards to implement programs and operations undertaken by the district board under this chapter and sections 103F.401 to 103F.455. The district board shall have free access to enter and perform work on the affected lands.

History: *1990 c 391 art 3 s 12*
