

103E.115 HYDROLOGICAL AND DRAINAGE INFORMATION.

(a) The director may prepare and publish:

- (1) runoff data;
- (2) information about the capacity of drain tile and ditches;
- (3) specifications for drain tile, ditches, and ditch construction; and
- (4) standard procedural forms for public ditch proceedings.

(b) The director may furnish the information to engineers and drainage authorities for their advice and information.

History: 1990 c 391 art 5 s 25
