Subd. 2. **Purpose.** The purpose of student support personnel aid is to:

(1) address shortages of student support services personnel within Minnesota schools;

(2) decrease caseloads for existing student support services personnel to ensure effective services;

(3) ensure that students receive effective student support services and integrated and comprehensive services to improve prekindergarten through grade 12 academic, physical, social, and emotional outcomes supporting career and college readiness and effective school mental health services;

(4) ensure that student support services personnel serve within the scope and practice of their training and licensure;

(5) fully integrate learning supports, instruction, assessment, data-based decision making, and family and community engagement within a comprehensive approach that facilitates interdisciplinary collaboration; and

(6) improve student health, school safety, and school climate to support academic success and career and college readiness.

Subd. 3. **Student support personnel aid.** (a) The initial student support personnel aid for an independent or special school district equals the greater of the student support personnel allowance times the adjusted pupil units at the district for the current fiscal year or $40,000. The initial student support personnel aid for a charter school equals the greater of the student support personnel allowance times the adjusted pupil units at the charter school for the current fiscal year or $20,000. Aid under this paragraph must be reserved in a fund balance that, beginning in fiscal year 2025, may not exceed the greater of the aid entitlement in the prior fiscal year or the fund balance in the prior fiscal year.

If a district is a member of more than one cooperative unit that serves students, the revenue must be allocated among the cooperative units. Aid under this paragraph must not exceed actual expenditures.

(1) increasing new student support services personnel positions;

(2) increasing a current student support services personnel position that is less than 1.0 full-time equivalent to a greater number of service hours; or

(3) making permanent a student support services personnel position hired using onetime resources.

(b) Cooperative student support personnel aid must be transferred to the intermediate district or other cooperative unit of which the district is a member and used to hire new positions for student support services personnel or increase a current position that is less than 1.0 full-time equivalent to a greater number of service hours or make permanent a position hired using onetime resources at the intermediate district or cooperative unit.

(c) If a school district, charter school, or cooperative unit does not receive at least two applications and is not able to hire a new full-time equivalent position with student support personnel aid or use the aid as otherwise provided under subdivision 4a, the aid may be used for contracted services from individuals licensed to serve as a school counselor, school psychologist, school social worker, school nurse, or chemical dependency counselor in Minnesota.
