## 129C.27 ANNUAL DIRECTOR REPORT.

1

The director must report the following to the education committees of the legislature by January 15 of each year in accordance with section 3.195:

- (1) outreach activities, including the number of districts, teachers, and administrators that have participated in outreach programs;
  - (2) the impact of the center's outreach activities;
- (3) enrollment trends, including the number of students from each congressional district admitted to the Perpich Arts High School and efforts to increase enrollment by 20 percent by 2019; and
- (4) students' academic achievement, including performance on standard assessments, graduation rates, and the number of students enrolled in postsecondary education.
