135A.041 FEE STATEMENT.

Beginning in the 1993-1994 academic year, fee statements at all public postsecondary campuses shall indicate the state-paid portion of the cost of an average student's education in that system by including the following statement: "Tuition pays for approximately ... % of the cost of a student at a public college. The State of Minnesota pays approximately $..... of the average cost for full-time students."
