135A.101 POSTSECONDARY ENROLLMENT OPTIONS.

Subdivision 1. **Requirements for participation.** To participate in the postsecondary enrollment options program, a college or university must abide by the provisions in this section. The institution may provide information about its programs to a secondary school or to a pupil or parent and may recruit or solicit participation on educational and programmatic grounds.

Subd. 2. **Prohibition.** An institution shall not enroll secondary pupils, for postsecondary enrollment options purposes, in developmental courses or other courses that are not college level. For the purposes of this section, a "developmental course" means a postsecondary course taken to prepare a student for college-level work and for which the postsecondary institution does not grant credit or which cannot be used to meet degree, diploma, or certificate requirements.

Subd. 3. **Minnesota transfer curriculum.** Notwithstanding section 135A.08 or other law to the contrary, all MnSCU institutions must give full credit to a secondary pupil who completes for postsecondary credit a postsecondary course or program that is part or all of a goal area or a transfer curriculum at a MnSCU institution when the pupil enrolls in a MnSCU institution after leaving secondary school. Once one MnSCU institution certifies as completed a secondary student's postsecondary course or program that is part or all of a goal area or a transfer curriculum, every MnSCU institution must consider the student's course or program for that goal area or the transfer curriculum as completed.
