136A.055 DEVELOPMENTAL EDUCATION REPORTING.

(a) The commissioner must report on the department's website the following summary data on students who graduated from a Minnesota high school and are attending a public postsecondary institution in Minnesota, limited to the most recent academic school year:

(1) the number of students placed in supplemental or developmental education;

(2) the number of students who complete supplemental or developmental education within one academic year;

(3) the number of students that complete gateway courses in one academic year; and

(4) time to complete a degree or certificate at a postsecondary institution.

(b) Summary data must be aggregated by school district, high school, and postsecondary institution. Summary data must be disaggregated by race, ethnicity, free or reduced-price meals eligibility, and age.

(c) The commissioner must post the initial data on the department's website on or before February 15, 2018, and must update the data at least annually thereafter.
