Subdivision 1. **Application.** A school that seeks an exemption under this section from the provisions of sections 136A.61 to 136A.71 must apply to the office to establish that the school meets the requirements of an exemption. An exemption expires two years from the date of approval or when a school adds a new program or makes a modification equal to or greater than 25 percent to an existing educational program. If a school is reapplying for an exemption, the application must be submitted to the office 90 days before the current exemption expires. This exemption shall not extend to any school that uses any publication or advertisement that is not truthful and gives any false, fraudulent, deceptive, inaccurate, or misleading impressions about the school or its personnel, programs, services, or occupational opportunities for graduates for promotion and student recruitment. Exemptions denied under this section are subject to appeal under section 136A.65, subdivision 8, paragraph (c). If an appeal is initiated, the denial of the exemption is not effective until the final determination of the appeal, unless immediate effect is ordered by the court.
