

144.9981 CLIMATE RESILIENCY.

The commissioner of health shall implement a climate resiliency program to:

- (1) increase awareness of climate change;
- (2) track the public health impacts of climate change and extreme weather events;
- (3) provide technical assistance and tools that support climate resiliency to local public health departments, Tribal health departments, soil and water conservation districts, and other local governmental and nongovernmental organizations; and
- (4) coordinate with the commissioners of the Pollution Control Agency, natural resources, and agriculture and other state agencies in climate resiliency related planning and implementation.
