Subd. 2. **Small cities assistance account.** A small cities assistance account is created in the special revenue fund. The account consists of money donated, allotted, transferred, or otherwise provided to the account. Money in the account is annually appropriated to the commissioner of transportation and may only be expended as provided under this section.

Subd. 3. **Administration.** (a) The commissioner must allocate all funds in the small cities assistance account as provided in subdivision 4 and must, by June 1, certify to the commissioner of revenue the amounts to be paid.

(b) Following certification from the commissioner, the commissioner of revenue must distribute the specified funds to cities in the same manner as local government aid under chapter 477A. An appropriation to the commissioner under this section is available to the commissioner of revenue for the purposes specified in this paragraph.

(c) Notwithstanding other law to the contrary, in order to receive distributions under this section, a city must conform to the standards in section 477A.017, subdivision 2. A city that receives funds under this section must make and preserve records necessary to show that the funds are spent in compliance with subdivision 5.

Subd. 4. **Distribution formula.** (a) The preliminary aid to each city is calculated as follows:

(1) five percent of funds allocated equally among all eligible cities;

(3) 35 percent of funds allocated proportionally based on each city's share of population compared to total population of all eligible cities; and

(4) 25 percent of funds allocated proportionally based on each city's share of state-aid adjustment factor compared to the sum of state-aid adjustment factors of all eligible cities.

(b) The final aid to each city is calculated as the lesser of:

- (1) the preliminary aid to the city multiplied by an aid factor; or
- (2) the maximum aid.

(c) The commissioner shall set the aid factor under paragraph (b), which must be the same for all eligible cities, so that the total funds allocated under this subdivision equals the total amount available for the fiscal year.

Subd. 5. **Use of funds.** (a) Funds distributed under this section are available only for construction and maintenance of roads located within the city, including:
