(b) In the case of a deceased veteran, the commissioner shall pay the bonus to the veteran's beneficiary.

Subd. 3. **Application process.** A veteran, or the beneficiary of a veteran, entitled to a bonus may make application for a bonus to the department as prescribed by the commissioner and verified by the applicant. If the veteran is incapacitated or the veteran's beneficiary is a minor or incapacitated, the application must be made by the person's guardian or conservator. An application must be accompanied by evidence of residency, honorable service, active duty service during the eligibility period for the bonus, and any other information the commissioner requires. The applicant must indicate on the application form the bonus amount for which the applicant expects to be eligible.

If the information provided in the application is incomplete, the department must notify the applicant in writing of that fact and must identify the items of information needed to make a determination. After notifying an applicant that the person's application is incomplete, the department shall hold the application

open for up to 120 days while awaiting further information from the applicant, and the applicant may submit that information within the 120-day period without filing an appeal and request for review.

Subd. 4. Bonus determination, appeal process, and payment. (a) Except as provided in paragraphs (b) to (d), the commissioner may not make a bonus payment to any applicant.

(b) Upon submission of proof to the department that an applicant is entitled to payment under this section, the department shall determine the amount of the bonus for which the applicant is eligible. If the department's determination of the bonus amount is in agreement with, or is greater than, the amount requested by the applicant in the application, the commissioner shall pay to the applicant the bonus amount, as determined by the department.

(c) If the department determines that the bonus amount for an applicant is less than the amount requested in the application, the department shall notify the applicant in writing of its determination, and include with that notification a form that the applicant may use to accept the department's determination and thereby waive the right to review of that determination. A filing by the applicant of the acceptance and waiver form with the department constitutes a waiver by the applicant of the right to review. Upon receipt of such acceptance and waiver from the applicant, the department shall pay to the applicant the bonus amount, as determined by the department. Unless an appeal is filed with the commissioner by an applicant in accordance with paragraph (d), all orders, decisions, and acts of the department with reference to the claim of the applicant are final and conclusive upon the applicant.

(d) Upon notification that the department's determination of the bonus amount is less than the bonus amount requested by the applicant in the application, the applicant may appeal the department's determination and request a review by the commissioner. The appeal and request for review must be made in writing within 60 days of the department's mailing of its determination. Following receipt by the department of an applicant's appeal and request for review by the commissioner, no payment shall be made by the department to the applicant until the review has been completed. For such review, the applicant may submit additional information to supplement the information provided in the application, and may request that the review be conducted either: (1) through written correspondence; or (2) in person with the commissioner. The commissioner shall act upon an appeal and request for review within seven working days of its receipt by the department. Following review by the commissioner of the application and any additional information submitted or presented by the applicant, the commissioner's determination is final. Any expenses incurred by the applicant as the result of the applicant's appeal and request for review are the obligation of the applicant.

Subd. 5. Notices. Notices and correspondence to an applicant must be directed to the applicant by mail at the address listed in the application or electronically. Notices and correspondence to the commissioner must be addressed to the commissioner's office or the designated department system.

Subd. 6. Powers and duties of commissioner. (a) The commissioner shall determine who is the beneficiary of a deceased veteran and determine who is the person who has assumed the responsibility for the care of any minor or incompetent.

(b) The commissioner may employ persons and may incur other expenses necessary to administer this section.

Subd. 7. Tax exempt gifts. The bonus payments provided for by this section are gifts or gratuities given as a token of appreciation to eligible veterans and are not compensation for services rendered. The payments are exempt from state taxation.

Subd. 8. **Nonassignable; excepted from process.** A claim for payment under this section is not assignable or subject to garnishment, attachment, or levy of execution.

Subd. 9. **Penalties.** A person who knowingly makes a false statement relating to a material fact in support of a claim for a bonus under this section is guilty of a misdemeanor.

Subd. 10. **Deadline for applications.** The application period for the bonus program established in this section shall be July 1, 2022, to June 30, 2024. The department may not receive or accept new applications after June 30, 2024.

Subd. 11. **Reapplication allowed.** Notwithstanding any law to the contrary, an eligible veteran who previously applied for a bonus under this section may reapply if the veteran either was denied a bonus or is entitled to receive a larger bonus than was originally awarded based on the amendments to this section contained in Laws 2023, chapter 38.
