Subd. 2. **Program established.** The Minnesota GI Bill program is established to provide postsecondary educational assistance, apprenticeship and on-the-job training benefits, and other professional and educational benefits to eligible Minnesota veterans and to the children and spouses of deceased and severely disabled Minnesota veterans.

The commissioner, in cooperation with eligible postsecondary educational institutions, shall administer the program for the purpose of providing postsecondary educational assistance to eligible persons in accordance with this section. Each public postsecondary educational institution in the state must participate in the program and each private postsecondary educational institution in the state is encouraged to participate in the program. Any participating private institution may suspend or terminate its participation in the program at the end of any semester or other academic term.

An applicant may appeal the commissioner's eligibility determination or termination of benefits in writing to the commissioner at any time. The commissioner must rule on any application or appeal within 30 days of receipt of all documentation that the commissioner requires. The decision of the commissioner regarding an appeal is final. However, an applicant whose appeal of an eligibility determination has been rejected by the commissioner may submit an additional appeal of that determination in writing to the commissioner at any time that the applicant is able to provide substantively significant additional information regarding the applicant's eligibility for the program.
