202A.13 COMMITTEES, CONVENTIONS.

The rules of each major political party shall provide that for each congressional district and at least 45 counties or legislative districts a convention shall be held at least once every state general election year. Each major political party shall also provide for each congressional district and at least 45 counties or legislative districts an executive committee consisting of a chair and such other officers as may be necessary. The party rules may provide for only one executive committee and one convention where any county and congressional district have the same territorial limits.

A delegate or alternate who is deaf, deafblind, or hard-of-hearing who needs interpreter services at a county, legislative district, congressional district, or state convention shall so notify the executive committee of the major political party unit whose convention the delegate or alternate plans to attend. Written notice must be given by certified mail or electronic mail to the executive committee at least 30 days before the convention date. The major political party, not later than 14 days before the convention date, shall secure the services of one or more interpreters if available and shall assume responsibility for the cost of the services. The state central committee of the major political party shall determine the process for reimbursing interpreters.

A visually impaired delegate or alternate to a county, legislative district, congressional district, or state convention may notify the executive committee of the major political party unit that the delegate or alternate requires convention materials in audio tape, Braille, or large print format. Upon receiving the request, the executive committee shall provide all official written convention materials as soon as they are available, so that the visually impaired individual may have them converted to audio tape, Braille, or large print format, prior to the convention.

Subdivision 1. **Time and manner of holding; postponement.** (a) In every state general election year, beginning at 7:00 p.m. on the date established pursuant to paragraph (b), there shall be held for every election precinct a party caucus in the manner provided in sections 202A.14 to 202A.19.

(b)(1) The chairs of the two largest major political parties shall jointly submit to the secretary of state, no later than March 1 of each odd-numbered year, the single date on which the two parties have agreed to conduct their precinct caucuses in the next even-numbered year. For a year when a presidential nomination primary is scheduled, the date submitted must not be the date of the presidential nomination primary, or the town general election date provided in section 205.075, subdivision 1.

(2) Within two business days after the parties have agreed on a single date on which to conduct their precinct caucuses, the secretary of state shall publicly announce the official state precinct caucus date for the following general election year.

(3) If the chairs of the two largest major political parties do not jointly submit a single date for conducting their precinct caucuses as provided in this paragraph, then for purposes of the next general election year, one of the following dates shall be considered the day of a major political party precinct caucus and sections 202A.19 and 202A.192 shall only apply on that date:

(i) the first Tuesday in February in a year when no presidential nomination primary is required; or

(ii) the Tuesday immediately prior to the presidential nomination primary in a year when a presidential nomination primary is required.

(4) For purposes of this paragraph, the two largest major political parties shall be the parties whose candidates for governor received the greatest and second greatest number of votes at the most recent gubernatorial election.

(c) In the event of severe weather a major political party may request the secretary of state to postpone caucuses. If a major political party makes a request, or upon the secretary of state's own initiative, after consultation with all major political parties and on the advice of the federal Weather Bureau and the Department of Transportation, the secretary of state may declare precinct caucuses to be postponed for a week in counties where weather makes travel especially dangerous. The secretary of state shall submit a notice of the postponement to news media covering the affected counties by 6:00 p.m. on the scheduled day of the caucus. A postponed caucus may also be postponed pursuant to this subdivision.

Subd. 2. **Caucus call.** The chair of the county or legislative district executive committee, whichever is provided for by party rules, shall issue the call for the precinct caucus at least 20 days before the time set for holding the caucus, and the call shall contain the following:

- (j) name of the present precinct chair or other person who will be the convener of the caucus;
- (k) a space for entering the names of the officers and delegates elected by the caucus.

Subd. 3. **Notice.** The county or legislative district chair shall give at least six days' published notice of the holding of the precinct caucus, stating the place, date, and time for holding the caucus, and shall deliver the same information to the municipal clerk and county auditor at least 20 days before the precinct caucus. The county auditor shall make this information available at least ten days before the date of the caucuses to persons who request it.

Subd. 2. **Place.** The precinct caucuses shall be held at the regular polling places for each precinct or other suitable places designated in the call, and no caucus may be adjourned to any other place or time.

In the event that there is only one suitable meeting place in the precinct polling place and the major political parties cannot agree as to its use, the county auditor shall decide by lot prior to January 15, 1970, the party which is to receive the use of the meeting place in years evenly divisible by four and which party shall receive the use of the meeting place in other years in which a state general election is held. The report of such selections by lot in the county shall be filed by the auditor with the county board which shall publish the same as a part of the minutes of the board meeting at which the report is filed.

A precinct caucus must be held at a place that meets the accessibility standards for precinct polling places specified in section 204B.16, subdivision 5. In addition, the place where a precinct caucus is held must contain restrooms that conform to the standards in the State Building Code for accessibility by disabled persons. If a precinct caucus is held on a floor of a building that is either above or below the entrance level for the building, an elevator must be available. Any elevators used for access to the room where the precinct caucus is held must conform to the standards in the State Building Code for accessibility by disabled persons.

If there are not enough places within a precinct that are or can be made accessible as provided by this subdivision and section 204B.16, subdivision 5, for each major party to hold its precinct caucus, a major party may hold its caucus at a place outside one of the boundaries of the precinct in order to comply with accessibility requirements.

If only one place satisfies the accessibility and location requirements of this subdivision, the major parties shall alternate use of the place. Prior to January 1, 1990, the county auditor shall decide by lot which party is to use the accessible place in years evenly divisible by four and which party is to use the place in other years when a state general election is held.

The major political party shall promptly attempt to secure the services of one or more interpreters if available and shall assume responsibility for the cost of the services if provided. The state central committee of the major political party shall determine the process for reimbursing interpreters.

A visually impaired individual may notify the county or legislative district committee of the major political party whose precinct caucus the individual plans to attend, that the individual requires caucus materials in audio tape, Braille, or large type format. Upon receiving the request, the county or legislative district committee shall provide all official written caucus materials as soon as they are available, so that the visually impaired individual may have them converted to audio tape, Braille, or large print format prior to the precinct caucus.
