240.1561 APPROPRIATION FOR ONGOING OPERATION.

If, by July 1 of an odd-numbered year, legislation has not been enacted to appropriate money for the next biennium to the commissioner of management and budget for central accounting, procurement, payroll, and human resources functions, amounts necessary to operate those functions associated with operation of the Racing Commission under this chapter are appropriated for the next biennium from the general fund to the commissioner of management and budget. As necessary, the commissioner may transfer a portion of this appropriation to other state agencies to support carrying out these functions. Any subsequent appropriation to the commissioner of management and budget for a biennium in which this section has been applied shall supersede and replace the funding authorized in this section.
