

240A.20 PROMOTING CONSTRUCTION AND RENOVATION OF PUBLIC SKATE PARKS THROUGHOUT THE STATE.

Subdivision 1. **Definition.** For purposes of this section, "skate" means wheeled, nonmotorized recreation, including skateboarding, roller blading, and roller skating, and not including cycling or biking.

Subd. 2. **Promotion of public skate parks.** The Minnesota Amateur Sports Commission shall:

(1) develop new public skate parks statewide; and

(2) provide matching grants to local units of government for public skate parks based on the criteria in this section.

Subd. 3. **Criteria for grants to local units of government for public skate parks.** (a) The commission shall administer a site selection process for the skate parks. The commission shall invite proposals from cities or counties or consortia of cities. A proposal for a skate park must include matching contributions including in-kind contributions of land, access roadways and access roadway improvements, and necessary utility services, landscaping, and parking.

(b) The location for all proposed facilities must be in areas of maximum demonstrated interest and must maximize accessibility to an arterial highway, transit, or pedestrian or bike path.

(c) To the extent possible, all proposed facilities must be dispersed equitably, must be located to maximize potential for full utilization, must accommodate noncompetitive family and community skating for all ages, and must encourage use of skate parks by a diverse population.

(d) The commission will give priority to proposals that come from more than one local government unit.

(e) The commission may also use the money to upgrade, rehabilitate, or renovate current facilities.

(f) To the extent possible, 50 percent of all grants must be awarded to communities in greater Minnesota.

(g) A grant awarded under subdivision 2, clause (2), may not exceed \$250,000 unless the grantee demonstrates that the facility will have a regional or statewide draw. A grant awarded under subdivision 2, clause (2), may be for up to \$750,000 for a skate park with regional impact. A grant awarded under subdivision 2, clause (2), may be for up to \$2,000,000 for a skate park with statewide draw.

(h) In selecting projects to be awarded grants under this section, the commission must give priority to those projects that are designated by experts in the field of skate park design and are to be constructed by professionals with experience in the construction of skate parks.

(i) To be eligible for a grant under this section, a local government must have engaged or must commit to engage youth in the planning, design, and programming for the skate park.

Subd. 4. **Technical assistance.** To the extent possible, the commission shall provide technical assistance on skate park planning, design, and operation to communities.

Subd. 5. **Agreements with local governments and cooperative purchasing agreements.** (a) The Minnesota Amateur Sports Commission may enter into agreements with local units of government and provide financial assistance in the form of grants for the construction of skate parks that, in the determination of the commission, conform to its criteria.

(b) The commission may enter into cooperative purchasing agreements under section 471.59 with local governments to purchase skate park equipment and services through state contracts. The cooperative skate

park equipment purchasing revolving fund is a separate account in the state treasury. The commission may charge a fee to cover the commission's administrative expenses to government units that have joint or cooperative purchasing agreements with the state under section 471.59. The fees collected must be deposited in the revolving fund established by this subdivision. Money in the fund is appropriated to the commission to administer the programs and services covered by this subdivision.
