

241.76 OPIATE ANTAGONISTS.

(a) The commissioner must maintain a supply of opiate antagonists, as defined in section 604A.04, subdivision 1, at each state correctional facility to be administered in compliance with section 151.37, subdivision 12.

(b) The commissioner must store an ample number of doses of nasal opiate antagonists throughout each facility so that staff can rapidly respond to opioid overdoses.

(c) The commissioner, in consultation with the commissioner of health, shall provide training to employees of the department on recognizing the symptoms of an opiate overdose and how to administer nasal opiate antagonists.
