245A.156 DISCLOSURE OF COMMUNICABLE DISEASE.

Subdivision 1. **Licensed foster care.** This section applies to county agencies and individuals who place children or adults who have a known communicable disease, as defined in section 144.4172, subdivision 2, in foster care settings licensed under this chapter.

Subd. 2. **Placing agency's or individual's duties.** Notwithstanding sections 144.291 to 144.298, before a county or individual places a child or adult with a known communicable disease with a licensed foster care provider, the agency or individual must:

(1) disclose to the foster care license holder the individual's communicable disease; and

(2) determine that the foster care provider has the ability to provide care to the individual.
