(a) The license holder providing integrated community support, as defined in section 245D.03, subdivision 1, paragraph (c), clause (8), must submit a setting capacity report to the commissioner to ensure the identified location of service delivery meets the criteria of the home and community-based service requirements as specified in section 256B.492.

- (b) The license holder shall provide the setting capacity report on the forms and in the manner prescribed by the commissioner. The report must include:
- (1) the address of the multifamily housing building where the license holder delivers integrated community supports and owns, leases, or has a direct or indirect financial relationship with the property owner;
- (2) the total number of living units in the multifamily housing building described in clause (1) where integrated community supports are delivered;
- (3) the total number of living units in the multifamily housing building described in clause (1), including the living units identified in clause (2);
- (4) the total number of people who could reside in the living units in the multifamily housing building described in clause (2) and receive integrated community supports; and
- (5) the percentage of living units that are controlled by the license holder in the multifamily housing building by dividing clause (2) by clause (3).
- (c) Only one license holder may deliver integrated community supports at the address of the multifamily housing building.
