

256B.0647 REMITTANCE ADVICE MONETARY RECOVERY.

(a) The commissioner may use the remittance advice process under Code of Federal Regulations, title 45, part 162.1601, as the notice to a vendor or provider when seeking monetary recovery using a department-administered information technology system for programmatically processed claims. The remittance advice must be delivered electronically and constitutes the sole notice to the provider. The commissioner must withhold the payments at issue when using the remittance advice as the notice.

(b) Providers may seek reconsideration of a remittance under this section by mailing a request to the commissioner. The reconsideration request must be received no later than 30 calendar days from the posting of the remittance advice. A request for reconsideration does not stay the withholding of payments. The commissioner's disposition of a request for reconsideration is final and not subject to appeal under chapter 14. The request for reconsideration must include:

(1) each disputed item, the reason for the dispute, and an estimate of the dollar amount involved for each disputed item;

(2) the calculation that the individual or entity believes is correct;

(3) the authority in statute or rule upon which the individual or entity relies for each disputed item;

(4) the name and address of the person or entity with whom contacts may be made regarding the appeal; and

(5) other information required by the commissioner.

(c) The commissioner may not use the remittance advice process as notice required under section 256B.064.
