256D.01 DECLARATION OF POLICY; CITATION.

Subdivision 1. **Policy.** The objectives of sections 256D.01 to 256D.21 are to provide a sound administrative structure for public assistance programs; to maximize the use of federal money for public assistance purposes; to provide an integrated public assistance program for eligible households in the state without adequate income or resources to maintain a subsistence reasonably compatible with decency and health; and to provide services to help employable and potentially employable persons prepare for and attain self-sufficiency and obtain permanent work.

It is the policy of this state that eligible households unable to provide for themselves and not otherwise provided for by law who meet the eligibility requirements of sections 256D.01 to 256D.21 are entitled to receive grants of general assistance necessary to maintain a subsistence reasonably compatible with decency and health. Providing this assistance is a matter of public concern and a necessity in promoting the public health and welfare.

Subd. 1a. **Standards.** (a) A principal objective in providing general assistance is to provide for single adults, childless couples, or children as defined in section 256D.02, subdivision 2b, ineligible for federal programs who are unable to provide for themselves. The minimum standard of assistance determines the total amount of the general assistance grant without separate standards for shelter, utilities, or other needs.

(b) The standard of assistance for an assistance unit consisting of a recipient who is childless and unmarried or living apart from children and spouse and who does not live with a parent or parents or a legal custodian, or consisting of a childless couple, is \$350 per month effective October 1, 2024, and must be

adjusted by a percentage equal to the change in the consumer price index as of January 1 every year, beginning October 1, 2025.

(c) For an assistance unit consisting of a single adult who lives with a parent or parents, the general assistance standard of assistance is \$350 per month effective October 1, 2024, and must be adjusted by a percentage equal to the change in the consumer price index as of January 1 every year, beginning October 1, 2025. Benefits received by a responsible relative of the assistance unit under the Supplemental Security Income program, a workers' compensation program, the Minnesota supplemental aid program, or any other program based on the responsible relative's disability, and any benefits received by a responsible relative of the assistance unit under the Social Security retirement program, may not be counted in the determination of eligibility or benefit level for the assistance unit. Except as provided below, the assistance unit is ineligible for general assistance if the available resources or the countable income of the assistance unit and the parent or parents with whom the assistance unit lives are such that a family consisting of the assistance unit's parent or parents, the parent or parents' other family members and the assistance unit as the only or additional minor child would be financially ineligible for general assistance. For the purposes of calculating the countable income of the assistance unit's parent or parents, the calculation methods must follow the provisions under section 256P.06.

Subd. 1b. **Rules.** The commissioner shall adopt rules to set standards of assistance and methods of calculating payment to conform with subdivision 1a. When a recipient is a resident of a licensed residential facility, except shelters for the homeless or shelters under section 611A.31, the recipient is not eligible for a full general assistance standard. The state standard of assistance for those recipients who have personal needs not otherwise provided for is the personal needs allowance authorized for medical assistance recipients under section 256B.35.

Subd. 1c. [Repealed, 1989 c 282 art 5 s 133]

Subd. 1d. [Repealed, 1988 c 411 s 9]

Subd. 1e. **Rules regarding emergency assistance.** The commissioner shall adopt rules under the terms of sections 256D.01 to 256D.21 for general assistance, to require use of the emergency program under MFIP as the primary financial resource when available. The commissioner shall adopt rules for eligibility for general assistance of persons with seasonal income and may attribute seasonal income to other periods not in excess of one year from receipt by an applicant or recipient. General assistance payments may not be made for foster care, community residential settings licensed under chapter 245D, child welfare services, or other social services. Vendor payments and vouchers may be issued only as authorized in sections 256D.05, subdivision 6, and 256D.09.

Subd. 2. **Citation.** Sections 256D.01 to 256D.21 may be cited as the "General Assistance Act."

256D.05 ELIGIBILITY FOR GENERAL ASSISTANCE.

Subdivision 1. **Eligibility.** (a) Each assistance unit with income and resources less than the standard of assistance established by the commissioner and with a member who is a resident of the state shall be eligible for and entitled to general assistance if the assistance unit is:

(1) a person who is suffering from a professionally certified permanent or temporary illness, injury, or incapacity which is expected to continue for more than 45 days and which prevents the person from obtaining or retaining employment;

(2) a person whose presence in the home on a substantially continuous basis is required because of the professionally certified illness, injury, incapacity, or the age of another member of the household;

(3) a person who has been placed in, and is residing in, a licensed or certified facility for purposes of physical or mental health or rehabilitation, or in an approved substance use disorder domiciliary facility, if the placement is based on illness or incapacity and is according to a plan developed or approved by the county agency through its director or designated representative;

(4) a person not described in clause (1) or (3) who is diagnosed by a licensed physician, psychological practitioner, or other qualified professional, as developmentally disabled or mentally ill, and that condition prevents the person from obtaining or retaining employment;

(5) a person who has an application pending for, or is appealing termination of benefits from, the Social Security disability program or the program of Supplemental Security Income for the aged, blind, and disabled, provided the person has a professionally certified permanent or temporary illness, injury, or incapacity which is expected to continue for more than 30 days and which prevents the person from obtaining or retaining employment;

(6) a person who is unable to obtain or retain employment because advanced age significantly affects the person's ability to seek or engage in substantial work;

(7) a person who has been assessed by a vocational specialist and, in consultation with the county agency, has been determined to be unemployable for purposes of this clause; a person is considered employable if there exist positions of employment in the local labor market, regardless of the current availability of openings for those positions, that the person is capable of performing. The person's eligibility under this category must be reassessed at least annually. The county agency must provide notice to the person not later than 30 days before annual eligibility under this item ends, informing the person of the date annual eligibility will end and the need for vocational assessment if the person wishes to continue eligibility under this clause. For purposes of establishing eligibility under this clause, it is the applicant's or recipient's duty to obtain any needed vocational assessment;

(8) a person who is determined by the county agency, according to permanent rules adopted by the commissioner, to have a condition that qualifies under Minnesota's special education rules as a specific learning disability, provided that a rehabilitation plan for the person is developed or approved by the county agency, and the person is following the plan;

(9) a child under the age of 18 who is not living with a parent, stepparent, or legal custodian, and only if: the child is legally emancipated or living with an adult with the consent of an agency acting as a legal custodian; the child is at least 16 years of age and the general assistance grant is approved by the director of the county agency or a designated representative as a component of a social services case plan for the child; or the child is living with an adult with the consent of the child's legal custodian and the county agency. For purposes of this clause, "legally emancipated" means a person under the age of 18 years who: (i) has been married; (ii) is on active duty in the uniformed services of the United States; (iii) has been emancipated by a court of competent jurisdiction; or (iv) is otherwise considered emancipated under Minnesota law, and for whom county social services has not determined that a social services case plan is necessary, for reasons other than the child has failed or refuses to cooperate with the county agency in developing the plan;

(10) a person who is eligible for displaced homemaker services, programs, or assistance under section 116L.96, but only if that person is enrolled as a full-time student;

(11) a person who is involved with protective or court-ordered services that prevent the applicant or recipient from working at least four hours per day;

(12) a person over age 18 whose primary language is not English and who is attending high school at least half time; or

(13) a person whose alcohol and drug addiction is a material factor that contributes to the person's disability; applicants who assert this clause as a basis for eligibility must be assessed by the county agency to determine if they are amenable to treatment; if the applicant is determined to be not amenable to treatment, but is otherwise eligible for benefits, then general assistance must be paid in vendor form, for the individual's shelter costs up to the limit of the grant amount, with the residual, if any, paid according to section 256D.09, subdivision 2a; if the applicant is determined to be amenable to treatment, then in order to receive benefits, the applicant must be in a treatment program or on a waiting list and the benefits must be paid in vendor

form, for the individual's shelter costs, up to the limit of the grant amount, with the residual, if any, paid according to section 256D.09, subdivision 2a.

(b) As a condition of eligibility under paragraph (a), clauses (1), (3), (4), (7), and (8), the recipient must complete an interim assistance agreement and must apply for other maintenance benefits as specified in section 256D.06, subdivision 5, and must comply with efforts to determine the recipient's eligibility for those other maintenance benefits.

(c) The burden of providing documentation for a county agency to use to verify eligibility for general assistance or for exemption from the Supplemental Nutrition Assistance Program (SNAP) employment and training program is upon the applicant or recipient. The county agency shall use documents already in its possession to verify eligibility, and shall help the applicant or recipient obtain other existing verification necessary to determine eligibility which the applicant or recipient does not have and is unable to obtain.

Subd. 1a. [Repealed, 1983 c 312 art 8 s 17]

Subd. 2. **Use of federal funds.** Effective March 31, 1998, notwithstanding any law to the contrary, if a single adult or childless couple otherwise eligible for general assistance would, but for state statutory restriction or limitation, be eligible for a federally aided assistance program providing benefits equal to or greater than those of general assistance, the single adult or childless couple shall be eligible for that federally aided program and ineligible for general assistance; provided, however, that (1) nothing in this section shall be construed to extend eligibility for federally aided programs to persons not otherwise eligible for general assistance; (2) this section shall not be effective to the extent that federal law or regulation require new eligibility for federal programs to persons not otherwise eligible for general assistance; and (3) nothing in this section shall deny general assistance to a person otherwise eligible who is determined ineligible for a substitute federally aided program.

Subd. 3a. [Repealed, 1999 c 216 art 6 s 26]

Subd. 4. [Repealed, 2014 c 262 art 1 s 12]

Subd. 5. **Transfers of property.** The equity value of real and personal property transferred without reasonable compensation within 12 months preceding the date of application for general assistance must be included in determining the resources of an assistance unit as described in section 256P.02, subdivision 1, paragraph (c).

Subd. 6. **Assistance for persons without a verified residence.** (a) For applicants or recipients of general assistance or emergency general assistance who do not have a verified residence address, the county agency may provide assistance using one or more of the following methods:

(1) the county agency may provide assistance in the form of vouchers or vendor payments and provide separate vouchers or vendor payments for food, shelter, and other needs;

(2) the county agency may divide the monthly assistance standard into weekly payments, whether in cash or by voucher or vendor payment. Nothing in this clause prevents the county agency from issuing voucher or vendor payments for emergency general assistance in an amount less than the standards of assistance;

(3) the county agency may determine eligibility and provide assistance on a weekly basis. Weekly assistance can be issued in cash or by voucher or vendor payment and can be determined either on the basis of actual need or by prorating the monthly assistance standard; and

(4) for the purposes of clauses (2) and (3), the county agency may divide the monthly assistance standard as follows: \$50 per week for each of the first three weeks, and the remainder for the fourth week.

(b) An individual may verify a residence address by providing a driver's license; a state identification card; a statement by the landlord, apartment manager, or homeowner verifying that the individual is residing at the address; or other written documentation approved by the commissioner.

(c) Notwithstanding the provisions of section 256D.06, subdivision 1, if the county agency elects to provide assistance on a weekly payment basis, the agency may not provide assistance for a period during which no need is claimed by the individual unless the individual has good cause for failing to claim need. The individual must be notified, each time weekly assistance is provided, that subsequent weekly assistance will not be issued unless the individual claims need. The advance notice required under section 256D.10 does not apply to weekly assistance that is withheld because the individual failed to claim need without good cause.

(d) The county agency may not issue assistance on a weekly basis to an applicant or recipient who has a professionally certified mental illness or developmental disability, or to an assistance unit that includes minor children, unless requested by the assistance unit.

Subd. 7. Ineligibility for general assistance. No single adult or childless couple shall be eligible for general assistance during a period of disqualification because of sanctions.

Subd. 8. Citizenship. (a) Effective July 1, 1997, citizenship requirements for applicants and recipients under sections 256D.01 to 256D.03, subdivision 2, and 256D.04 to 256D.21 shall be determined the same as under section 142G.11. The income and assets of sponsors of noncitizens shall be deemed available to general assistance applicants and recipients according to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, title IV, sections 421 and 422, and subsequently set out in federal rules.

(b) As a condition of eligibility, each legal adult noncitizen in the assistance unit who has resided in the country for four years or more and who is under 70 years of age must:

(1) be enrolled in a literacy class, English as a second language class, or a citizen class;

(2) be applying for admission to a literacy class, English as a second language class, and is on a waiting list;

(3) be in the process of applying for a waiver from the United States Citizenship and Immigration Services of the English language or civics requirements of the citizenship test;

(4) have submitted an application for citizenship to the United States Citizenship and Immigration Services and is waiting for a testing date or a subsequent swearing in ceremony; or

(5) have been denied citizenship due to a failure to pass the test after two attempts or because of an inability to understand the rights and responsibilities of becoming a United States citizen, as documented by the United States Citizenship and Immigration Services or the county.

If the county social service agency determines that a legal noncitizen subject to the requirements of this subdivision will require more than one year of English language training, then the requirements of clause

(1) or (2) shall be imposed after the legal noncitizen has resided in the country for three years. Individuals who reside in a facility licensed under chapter 144A, 144G, 245A, or 256I are exempt from the requirements of this section.

Subd. 9. **Personal statement.** If a county agency determines that an applicant is ineligible due to not meeting eligibility requirements of this chapter, a county agency may accept a signed personal statement from the applicant in lieu of documentation verifying ineligibility.

256D.06 AMOUNT OF ASSISTANCE.

Subdivision 1. **Eligibility; amount of assistance.** General assistance shall be granted in an amount that when added to the countable income as determined to be actually available to the assistance unit under section 256P.06, the total amount equals the applicable standard of assistance for general assistance. In determining eligibility for and the amount of assistance for an individual or married couple, the agency shall apply the earned income disregard as determined in section 256P.03.

Subd. 1b. [Repealed, 2014 c 312 art 28 s 37]

Subd. 1c. [Repealed, 1990 c 568 art 4 s 85]

Subd. 2. **Emergency need.** (a) Notwithstanding the provisions of subdivision 1, a grant of emergency general assistance shall, to the extent funds are available, be made to an eligible single adult, married couple, or family for an emergency need where the recipient requests temporary assistance not exceeding 30 days if an emergency situation appears to exist under written criteria adopted by the county agency. If an applicant or recipient relates facts to the county agency which may be sufficient to constitute an emergency situation, the county agency shall, to the extent funds are available, advise the person of the procedure for applying for assistance according to this subdivision.

(b) The applicant must be ineligible for assistance under chapter 142G, must have annual net income no greater than 200 percent of the federal poverty guidelines for the previous calendar year, and may receive an emergency assistance grant not more than once in any 12-month period.

(c) Funding for an emergency general assistance program is limited to the appropriation. Each fiscal year, the commissioner shall allocate to counties the money appropriated for emergency general assistance grants based on each county agency's average share of state's emergency general expenditures for the immediate past three fiscal years as determined by the commissioner, and may reallocate any unspent amounts to other counties. No county shall be allocated less than \$1,000 for a fiscal year.

(d) Any emergency general assistance expenditures by a county above the amount of the commissioner's allocation to the county must be made from county funds.

Subd. 5. **Eligibility; requirements.** (a) Any applicant, otherwise eligible for general assistance and possibly eligible for maintenance benefits from any other source shall (1) make application for those benefits within 90 days of the general assistance application; and (2) execute an interim assistance agreement on a form as directed by the commissioner.

(b) The commissioner shall review a denial of an application for other maintenance benefits and may require a recipient of general assistance to file an appeal of the denial if appropriate. If found eligible for benefits from other sources, and a payment received from another source relates to the period during which general assistance was also being received, the recipient shall be required to reimburse the county agency for the interim assistance paid. Reimbursement shall not exceed the amount of general assistance paid during the time period to which the other maintenance benefits apply and shall not exceed the state standard applicable to that time period.

(c) The commissioner may contract with the county agencies, qualified agencies, organizations, or persons to provide advocacy and support services to process claims for federal disability benefits for applicants or recipients of services or benefits supervised by the commissioner using money retained under this section.

(d) The commissioner may provide methods by which county agencies shall identify, refer, and assist recipients who may be eligible for benefits under federal programs for people with a disability.

(e) The total amount of interim assistance recoveries retained under this section for advocacy, support, and claim processing services shall not exceed 35 percent of the interim assistance recoveries in the prior fiscal year.

Subd. 6. [Repealed, 1989 c 282 art 5 s 133; 1Sp1989 c 1 art 16 s 20]

Subd. 7. **SSI conversions and back claims.** (a) The commissioner of human services shall contract with agencies or organizations capable of ensuring that clients who are presently receiving assistance under sections 256D.01 to 256D.21, and who may be eligible for benefits under the federal Supplemental Security Income program, apply and, when eligible, are converted to the federal income assistance program and made eligible for health care benefits under the medical assistance program. The commissioner shall ensure that money owing to the state under interim assistance agreements is collected.

(b) The commissioner shall also directly or through contract implement procedures for collecting federal Medicare and medical assistance funds for which clients converted to SSI are retroactively eligible.

(c) The commissioner shall contract with agencies to ensure implementation of this section. County contracts with providers for residential services shall include the requirement that providers screen residents who may be eligible for federal benefits and provide that information to the local agency. The commissioner shall modify the MAXIS computer system to provide information on clients who have been on general assistance for two years or longer. The list of clients shall be provided to local services for screening under this section.

256D.07 TIME OF PAYMENT OF ASSISTANCE.

An applicant for general assistance shall be deemed eligible if the application and the verification of the statement on that application demonstrate that the applicant is within the eligibility criteria established by sections 256D.01 to 256D.21 and any applicable rules of the commissioner. Any person requesting general assistance shall be permitted by the county agency to make an application for assistance as soon as administratively possible and in no event later than the fourth day following the date on which assistance is first requested, and no county agency shall require that a person requesting assistance appear at the offices

On the date that general assistance is first requested, the county agency shall inquire and determine whether the person requesting assistance is in immediate need of food, shelter, clothing, assistance for necessary transportation, or other emergency assistance pursuant to section 256D.06, subdivision 2. A person in need of emergency assistance shall be granted emergency assistance immediately, and necessary emergency assistance shall continue for up to 30 days following the date of application. A determination of an applicant's eligibility for general assistance shall be made by the county agency as soon as the required verifications are received by the county agency and in no event later than 30 days following the date that the application is made. Any verifications required of the applicant shall be reasonable, and the commissioner shall by rule establish reasonable verifications. General assistance shall be granted to an eligible applicant without the necessity of first securing action by the board of the county agency. The first month's grant must be computed to cover the time period starting with the date of application or from the date that the applicant meets all eligibility factors, whichever occurs later.

If upon verification and due investigation it appears that the applicant provided false information and the false information materially affected the applicant's eligibility for general assistance or the amount of the applicant's general assistance grant, the county agency may refer the matter to the county attorney. The county attorney may commence a criminal prosecution or a civil action for the recovery of any general assistance wrongfully received, or both.

256D.09 PAYMENT; ASSESSMENT; OVERPAYMENT.

Subdivision 1. **Presumptive eligibility; payments.** Until the county agency has determined the initial eligibility of the applicant in accordance with section 256D.07, grants for emergency general assistance must be in the form of vouchers or vendor payments unless the county agency determines that a cash grant will best resolve the applicant's need for emergency assistance. Thereafter, grants of general assistance must be paid in cash, by electronic benefit transfer, or by direct deposit into the recipient's account in a financial institution, on the first day of the month, except as allowed in this section.

Subd. 2. **Voucher or vendor payments.** Notwithstanding the provisions of subdivision 1, the commissioner shall provide by rule for situations in which vouchers or vendor payments may be issued by county agencies because of the inability of the recipient to manage a general assistance grant for personal or family benefit.

Subd. 2a. **Vendor payments for drug dependent persons.** If, at the time of application or at any other time, there is a reasonable basis for questioning whether a person applying for or receiving financial assistance is drug dependent, as defined in section 254A.02, subdivision 5, the person shall be referred for a chemical health assessment, and only emergency assistance payments or general assistance vendor payments may be provided until the assessment is complete and the results of the assessment made available to the county agency. A reasonable basis for referring an individual for an assessment exists when:

(1) the person has required detoxification two or more times in the past 12 months;

(2) the person appears intoxicated at the county agency as indicated by two or more of the following:

(i) the odor of alcohol;

(ii) slurred speech;

(iii) disconjugate gaze;

(iv) impaired balance;

(v) difficulty remaining awake;

(vi) consumption of alcohol;

(vii) responding to sights or sounds that are not actually present;

(viii) extreme restlessness, fast speech, or unusual belligerence;

(3) the person has been involuntarily committed for drug dependency at least once in the past 12 months;

or

(4) the person has received treatment, including domiciliary care, for drug abuse or dependency at least twice in the past 12 months.

The assessment and determination of drug dependency, if any, must be made by an assessor qualified under section 245G.11, subdivisions 1 and 5, to perform an assessment of chemical use. The county shall only provide emergency general assistance or vendor payments to an otherwise eligible applicant or recipient who is determined to be drug dependent, except up to 15 percent of the grant amount the person would otherwise receive may be paid in cash. Notwithstanding subdivision 1, the commissioner of human services shall also require county agencies to provide assistance only in the form of vendor payments to all eligible recipients who assert substance use disorder as a basis for eligibility under section 256D.05, subdivision 1, paragraph (a), clauses (1) and (5).

The determination of drug dependency shall be reviewed at least every 12 months. If the county determines a recipient is no longer drug dependent, the county may cease vendor payments and provide the recipient payments in cash.

Subd. 2b. **Disability verification; substance use disorder.** If at any time there is verification that the client's disability is dependent upon the client's continued drug addiction or alcoholism, general assistance for rent and utilities must be made in the form of vendor payments.

Verification of drug addiction or alcoholism can be received from:

(1) denial of Social Security benefits based on drug addiction or alcoholism;

(2) a statement from the state medical review team that the person's disability is dependent upon continued drug addiction or alcoholism; or

(3) a doctor's statement that the person's disability is dependent upon continued drug addiction or alcoholism.

Subd. 4. [Repealed, 1991 c 292 art 5 s 82]

Subd. 5. **Vendor payments to landlords.** The affected county may require that assistance paid under the emergency general assistance program in the form of a rental unit damage deposit, less any amount retained by the landlord to remedy a tenant's default in payment of rent or other funds due to the landlord pursuant to a rental agreement, or to restore the premises to the condition at the commencement of the tenancy, ordinary wear and tear excepted, be returned to the county when the individual vacates the premises or paid to the recipient's new landlord as a vendor payment. The vendor payment of returned funds shall not be considered a new use of emergency assistance.

256D.44 STANDARDS OF ASSISTANCE.

Subdivision 1. **Use of standards; increases.** The state standards of assistance for basic needs, plus special need items establish the total amount of need for an applicant for or recipient of Minnesota supplemental aid, used to determine the assistance unit's eligibility for Minnesota supplemental aid. The state standards of assistance for basic needs must increase by an amount equal to the dollar value, rounded up to the nearest dollar, of any cost of living increases in the Supplemental Security Income program.

Subd. 2. **Standard of assistance for certain persons.** The state standard of assistance for a person who: (1) is eligible for a medical assistance home and community-based services waiver; (2) has been determined by the local agency to meet the plan requirements for placement in a setting authorized to provide housing support under section 256I.04, subdivision 1a; or (3) is eligible for a shelter needy payment under subdivision 5, paragraph (g), is the standard established in subdivision 3, paragraph (a) or (b).

Subd. 3. **Standard of assistance for basic needs.** Except as provided in subdivision 4, the monthly state standard of assistance for basic needs is as follows:

(a) If an applicant or recipient does not reside with another person or persons, the state standard of assistance is \$519.

(b) If an applicant married couple or recipient married couple who live together, does not reside with others, the state standard of assistance is \$778.

(c) If an applicant or recipient resides with another person or persons, the state standard of assistance is \$395.

(d) If an applicant married couple or recipient married couple who live together, resides with others, the state standard of assistance is \$519.

(e) Married couples, living together who do not reside with others and were receiving MSA prior to January 1, 1994, and whose eligibility has not been terminated a full calendar month, the state standard of assistance is \$793.

(f) Married couples living together who reside with others and were receiving MSA prior to January 1, 1994, and whose eligibility has not been terminated a full calendar month, the state standard of assistance is \$782.

(g) For an individual who (1) receives Supplemental Security Income under federal living arrangement D or (2) is a resident of a licensed residential facility and has unmet personal needs, the state standard of assistance is the personal needs allowance for medical assistance recipients under section 256B.35.

Subd. 4. **Temporary absence due to illness.** For the purposes of this subdivision, "home" means a residence owned or rented by a recipient or the recipient's spouse. Assistance payments for recipients who are temporarily absent from their home due to hospitalization for illness must continue at the same level of payment during their absence if the following criteria are met:

(1) a physician, advanced practice registered nurse, or physician assistant certifies that the absence is not expected to continue for more than three months;

(2) a physician, advanced practice registered nurse, or physician assistant certifies that the recipient will be able to return to independent living; and

(3) the recipient has expenses associated with maintaining a residence in the community.

Subd. 5. **Special needs.** (a) In addition to the state standards of assistance established in subdivisions 1 to 4, payments are allowed for the following special needs of recipients of Minnesota supplemental aid who are not residents of a nursing home, a regional treatment center, or a setting authorized to receive housing support payments under chapter 256I.

(b) The county agency shall pay a monthly allowance for medically prescribed diets if the cost of those additional dietary needs cannot be met through some other maintenance benefit. The need for special diets or dietary items must be prescribed by a licensed physician, advanced practice registered nurse, or physician assistant. Costs for special diets shall be determined as percentages of the allotment for a one-person household under the thrifty food plan as defined by the United States Department of Agriculture. The types of diets and the percentages of the thrifty food plan that are covered are as follows:

- (1) high protein diet, at least 80 grams daily, 25 percent of thrifty food plan;
- (2) controlled protein diet, 40 to 60 grams and requires special products, 100 percent of thrifty food plan;
- (3) controlled protein diet, less than 40 grams and requires special products, 125 percent of thrifty food plan;
- (4) low cholesterol diet, 25 percent of thrifty food plan;
- (5) high residue diet, 20 percent of thrifty food plan;
- (6) pregnancy and lactation diet, 35 percent of thrifty food plan;
- (7) gluten-free diet, 25 percent of thrifty food plan;
- (8) lactose-free diet, 25 percent of thrifty food plan;
- (9) antidumping diet, 15 percent of thrifty food plan;
- (10) hypoglycemic diet, 15 percent of thrifty food plan; or
- (11) ketogenic diet, 25 percent of thrifty food plan.

(c) Payment for nonrecurring special needs must be allowed for necessary home repairs or necessary repairs or replacement of household furniture and appliances using the payment standard of the AFDC program in effect on July 16, 1996, for these expenses, as long as other funding sources are not available.

(d) A fee for guardian or conservator service is allowed at a reasonable rate negotiated by the county or approved by the court. This rate shall not exceed five percent of the assistance unit's gross monthly income up to a maximum of \$100 per month. If the guardian or conservator is a member of the county agency staff, no fee is allowed.

(e) The county agency shall continue to pay a monthly allowance of \$68 for restaurant meals for a person who was receiving a restaurant meal allowance on June 1, 1990, and who eats two or more meals in a restaurant daily. The allowance must continue until the person has not received Minnesota supplemental aid for one full calendar month or until the person's living arrangement changes and the person no longer meets the criteria for the restaurant meal allowance, whichever occurs first.

(f) A fee equal to the maximum monthly amount allowed by the Social Security Administration is allowed for representative payee services provided by an agency that meets the requirements under SSI

regulations to charge a fee for representative payee services. This special need is available to all recipients of Minnesota supplemental aid regardless of their living arrangement.

(g)(1) Notwithstanding the language in this subdivision, an amount equal to one-half of the maximum federal Supplemental Security Income payment amount for a single individual which is in effect on the first day of July of each year will be added to the standards of assistance established in subdivisions 1 to 4 for adults under the age of 65 who qualify as in need of housing assistance and are:

(i) relocating from an institution, a setting authorized to receive housing support under chapter 256I, or an adult mental health residential treatment program under section 256B.0632;

(ii) eligible for personal care assistance under section 256B.0659; or

(iii) home and community-based waiver recipients living in their own home or rented or leased apartment.

(2) Notwithstanding subdivision 3, paragraph (c), an individual eligible for the shelter needy benefit under this paragraph is considered a household of one. An eligible individual who receives this benefit prior to age 65 may continue to receive the benefit after the age of 65.

(3) "Housing assistance" means that the assistance unit incurs monthly shelter costs that exceed 40 percent of the assistance unit's gross income before the application of this special needs standard. "Gross income" for the purposes of this section is the applicant's or recipient's income as defined in section 256D.35, subdivision 10, or the standard specified in subdivision 3, paragraph (a) or (b), whichever is greater. A recipient of a federal or state housing subsidy, that limits shelter costs to a percentage of gross income, shall not be considered in need of housing assistance for purposes of this paragraph.

Subd. 6. **County agency standards of assistance.** The county agency may establish standards of assistance for basic needs, special needs, and clothing and personal needs that exceed the corresponding state standards of assistance. State aid is not available for costs above state standards.

256D.45 PAYMENT PERIOD.

Subdivision 1. **Budgeting.** The payment period and budgeting cycle for Minnesota supplemental aid are those of the Supplemental Security Income program.

Subd. 2. **Gross income test.** The county agency shall apply a gross income test prospectively for each month of program eligibility. An assistance unit is ineligible when nonexcluded income, before applying any disregards or deductions, exceeds 300 percent of the Supplemental Security Income standard for an individual.

Subd. 3. **Amount of assistance.** The amount of assistance is the difference between the recipient's net income and the applicable standards of assistance in section 256D.44, subdivisions 2 to 4, for persons living independently.

256D.46 [Repealed, 2014 c 262 art 1 s 12]

256D.47 PAYMENT METHODS.

Minnesota supplemental aid payments must be issued to the recipient, a protective payee, or a conservator or guardian of the recipient's estate in the form of county warrants immediately redeemable in cash, electronic benefits transfer, or by direct deposit into the recipient's account in a financial institution. Minnesota supplemental aid payments must be issued regularly on the first day of the month. The supplemental aid warrants must be mailed only to the address at which the recipient resides, unless another address has been approved in advance by the county agency. Vendor payments must not be issued by the county agency except for nonrecurring emergency need payments; at the request of the recipient; for special needs, other than special diets; or when the agency determines the need for protective payments exist.

History: 1989 c 282 art 5 s 106; 1990 c 568 art 4 s 84

256D.48 PROTECTIVE PAYMENTS.

Subdivision 1. **Need for protective payee.** The county agency shall determine whether a recipient needs a protective payee when a physical or mental condition renders the recipient unable to manage funds and when payments to the recipient would be contrary to the recipient's welfare. Protective payments must be issued when there is evidence of: (1) repeated inability to plan the use of income to meet necessary expenditures; (2) repeated observation that the recipient is not properly fed or clothed; (3) repeated failure to meet obligations for rent, utilities, food, and other essentials; (4) evictions or a repeated incurrence of debts; or (5) lost or stolen checks. The determination of representative payment by the Social Security Administration for the recipient is sufficient reason for protective payment of Minnesota supplemental aid payments.

Subd. 2. **Establishing protective payment.** When the county agency determines that a recipient needs a protective payee, the county agency shall appoint a payee according to the procedures in paragraphs (a) and (b).

(a) The county agency shall consider the recipient's preference of protective payee. The protective payee must have an interest in or concern for the welfare of the recipient. The protective payee must be capable of and willing to provide the required assistance. A vendor of goods or services, including the recipient's landlord, shall not serve as protective payee.

(b) The county agency shall reconsider the need for a protective payee at least annually. The criteria used to determine a person's continuing need for a protective payee are the criteria used in the Supplemental Security Income program to determine if a person is incapable of managing or directing the management of the person's money. If the need for protective payment is likely to continue beyond two years, the county agency shall seek judicial appointment of a guardian or other legal representative.

Subd. 3. **Protective payee for payments made by the Social Security Administration.** If the assistance unit receives benefits from the Social Security Administration, the county agency shall also petition the Social Security Administration to establish a representative payee for those benefits.

256D.50 NOTICE.

Subdivision 1. **Ten-day notice.** The county agency shall give recipients ten days' advance notice when the agency intends to terminate, suspend, or reduce a grant. The ten-day notice must be in writing on a form prescribed by the commissioner. The notice must be mailed or given to the recipient not later than ten days before the effective date of the action. The notice must clearly state the action the county agency intends to take, the reasons for the action, the right to appeal the action, and the conditions under which assistance can be continued while an appeal is pending.

Subd. 2. **Five-day notice.** Five days' advance notice is sufficient when the county agency has verified and documented that the case facts require termination, suspension, or reduction of the grant for probable fraud by a recipient. If the last day of the five-day period falls on a weekend or holiday, the effective date of the action is the next working day.

Subd. 3. **Adequate notice.** Notice must be given no later than the effective date of the action when: (1) the county agency has factual information confirming the death of a person included in the grant; (2) the county agency receives a clear written statement, signed by a recipient, that the recipient no longer wishes assistance; (3) the county agency receives a clear statement, signed by a recipient, reporting information that the recipient acknowledges will require termination of or a reduction in the grant; (4) a recipient has been placed in a skilled nursing home, intermediate care, or a long-term hospitalization facility; (5) a recipient has been admitted to or committed to an institution; or (6) a recipient's whereabouts are unknown and the county agency mail to the recipient has been returned by the post office showing no forwarding address.

History: 1989 c 282 art 5 s 109

256D.51 APPEALS.

Subdivision 1. **Right to appeal.** Applicants and recipients may appeal under section 256.045 if they are aggrieved by an action or by inaction of the county agency.

Subd. 2. **Continuation of payment pending appeal decision.** When assistance is reduced, suspended, or terminated, the client has the right to choose to have the grant continued while an appeal is pending if the appellant files the appeal within ten days after the date the notice is mailed or before the effective date of the proposed action, whichever is later.

History: 1989 c 282 art 5 s 110

256D.52 FRAUD.

A person who obtains or tries to obtain, or aids or abets any person in obtaining assistance to which the person is not entitled by a willfully false statement or representation, or by the intentional withholding or concealment of a material fact, or by impersonation, or other fraudulent device, violates section 256.98 and is subject to both the criminal and civil penalties in that section.

256D.53 DUTIES OF THE COMMISSIONER.

In addition to other duties imposed by law, the commissioner shall:

(2) adopt permanent rules consistent with law for carrying out and enforcing the provisions of sections 256D.33 to 256D.54, so that Minnesota supplemental aid may be administered as uniformly as possible throughout the state;

(3) immediately upon adoption, give rules to all county agencies and other interested persons;

(4) establish necessary administrative and fiscal procedures; and

(5) allocate money appropriated for Minnesota supplemental aid to county agencies.

History: 1989 c 282 art 5 s 112

256D.54 APPLICATION FOR OTHER BENEFITS.

Subdivision 1. **Potential eligibility.** An applicant or recipient who is otherwise eligible for supplemental aid and who is potentially eligible for maintenance benefits from any other source shall (1) apply for those benefits within 30 days of the county's determination of potential eligibility for those benefits; and (2) execute an interim assistance authorization agreement on a form as directed by the commissioner.

Subd. 2. **Recovery of supplemental aid under an interim assistance agreement.** If a recipient is eligible for benefits from other sources, and receives a payment from another source for a period during which supplemental aid was also issued, the recipient shall reimburse the county agency for the interim assistance paid. Reimbursement shall not exceed the amount of supplemental aid paid during the time period to which the other maintenance benefits apply. Reimbursement shall not exceed the state standard that applies to that time period. Reimbursement may be sought directly from the other source of maintenance income but remains the primary obligation of the recipient when an interim assistance agreement has been executed.
