256I.01 CITATION.

Sections 256I.01 to 256I.09 shall be cited as the "Housing Support Act."

Total income includes any unearned income as defined in section 256P.06 and any earned income in the month that the person is a recipient of housing support. For recipients under this paragraph, the personal needs allowance described in section 256B.35 does not apply.

(e) For a recipient who lives in a setting as described in section 256I.04, subdivision 2a, paragraph (b), clause (2), and receives general assistance, the personal needs allowance described in section 256B.35 is not countable unearned income.

(a) The individual is aged, blind, or is over 18 years of age with a disability as determined under the criteria used by the title II program of the Social Security Act, and meets the resource restrictions and standards of section 256P.02, and the individual's countable income after deducting the (1) exclusions and disregards of the SSI program, (2) the medical assistance personal needs allowance under section 256B.35, and (3) an amount equal to the income actually made available to a community spouse by an elderly waiver participant under the provisions of sections 256B.0575, paragraph (a), clause (4), and 256B.058, subdivision 2, is less than the monthly rate specified in the agency's agreement with the provider of housing support in which the individual resides.

(c) The individual lacks a fixed, adequate, nighttime residence upon discharge from a residential behavioral health treatment program, as determined by treatment staff from the residential behavioral health treatment program. An individual is eligible under this paragraph for up to three months, including a full or partial month from the individual's move-in date at a setting approved for housing support following discharge from treatment, plus two full months.

(d) The individual meets the criteria related to establishing a certified disability or disabling condition in paragraph (a) or (b) and lacks a fixed, adequate, nighttime residence upon discharge from a correctional facility, as determined by an authorized representative from a Minnesota-based correctional facility. Subd. 1b. **Optional state supplements to SSI.** Housing support payments made on behalf of persons eligible under subdivision 1, paragraph (a), are optional state supplements to the SSI program.

Subd. 1c. **Interim assistance.** Housing support payments made on behalf of persons eligible under subdivision 1, paragraph (b), are considered interim assistance payments to applicants for the federal SSI program.

Subd. 2. **Date of eligibility.** An individual who has met the eligibility requirements of subdivision 1 shall have a housing support payment made on the individual's behalf from the first day of the month of the date of application or the first day of the month in which all eligibility factors have been met, whichever is later.

Subd. 2a. **License required; staffing qualifications.** (a) Except as provided in paragraph (b), an agency may not enter into an agreement with an establishment to provide housing support unless:

(1) the establishment is licensed by the Department of Health as a hotel and restaurant; a board and lodging establishment; a boarding care home before March 1, 1985; or a supervised living facility, and the service provider for residents of the facility is licensed under chapter 245A. However, an establishment licensed by the Department of Health to provide lodging need not also be licensed to provide board if meals are being supplied to residents under a contract with a food vendor who is licensed by the Department of Health;

(2) the residence is: (i) licensed by the commissioner of human services under Minnesota Rules, parts 9555.5050 to 9555.6265; (ii) certified by a county human services agency prior to July 1, 1992, using the standards under Minnesota Rules, parts 9555.5050 to 9555.6265; (iii) licensed by the commissioner under Minnesota Rules, parts 2960.0010 to 2960.0120, with a variance under section 245A.04, subdivision 9; or (iv) licensed under section 245D.02, subdivision 4a, as a community residential setting by the commissioner of human services;

(3) the facility is licensed under chapter 144G and provides three meals a day; or

(4) effective January 1, 2027, the establishment is licensed by the Department of Health as a board and lodging establishment and is certified by the commissioner as a recovery residence in accordance with section 254B.215, subdivision 3, that is subject to the requirements of section 256I.04, subdivisions 2a to 2f. The Department of Human Services must serve as the lead agency for agreements entered into under this clause.

(b) The requirements under paragraph (a) do not apply to establishments exempt from state licensure because they are:

(1) located on Indian reservations and subject to tribal health and safety requirements; or

(2) supportive housing establishments where an individual has an approved habitability inspection and an individual lease agreement.

(c) Supportive housing establishments that serve individuals who have experienced long-term homelessness and emergency shelters must participate in the homeless management information system and a coordinated assessment system as defined by the commissioner.

(d) Effective July 1, 2016, an agency shall not have an agreement with a provider of housing support unless all staff members who have direct contact with recipients:

(1) have skills and knowledge acquired through one or more of the following:

- (b) Providers are required to verify the following minimum requirements in the agreement:
 - (1) current license or registration, including authorization if managing or monitoring medications;
 - (2) all staff who have direct contact with recipients meet the staff qualifications;
 - (3) the provision of housing support;
 - (4) the provision of supplementary services, if applicable;
 - (5) reports of adverse events, including recipient death or serious injury;
 - (6) submission of residency requirements that could result in recipient eviction; and
 - (7) confirmation that the provider will not limit or restrict the number of hours an applicant or recipient chooses to be employed, as specified in subdivision 5.
- (c) Agreements may be terminated with or without cause by the commissioner, the agency, or the provider with two calendar months prior notice. The commissioner may immediately terminate an agreement under subdivision 2d.

Subd. 2c. **Background study requirements.** (a) A provider of housing support must initiate background studies in accordance with section 245C.03, subdivision 10.

(b) A provider initiating a background study pursuant to chapter 245C is not required to initiate a background study in accordance with sections 299C.66 to 299C.71 or chapter 364.

Subd. 2d. **Conditions of payment; commissioner's right to suspend or terminate agreement.** (a) Housing support must be provided to the satisfaction of the commissioner, as determined at the sole discretion

of the commissioner's authorized representative, and in accordance with all applicable federal, state, and local laws, ordinances, rules, and regulations, including business registration requirements of the Office of the Secretary of State. A provider shall not receive payment for room and board or supplementary services found by the commissioner to be performed or provided in violation of federal, state, or local law, ordinance, rule, or regulation.

(b) The commissioner has the right to suspend or terminate the agreement immediately when the commissioner determines the health or welfare of the housing or service recipients is endangered, or when the commissioner has reasonable cause to believe that the provider has breached a material term of the agreement under subdivision 2b.

(c) Notwithstanding paragraph (b), if the commissioner learns of a curable material breach of the agreement by the provider, the commissioner shall provide the provider with a written notice of the breach and allow ten days to cure the breach. If the provider does not cure the breach within the time allowed, the provider shall be in default of the agreement and the commissioner may terminate the agreement immediately thereafter. If the provider has breached a material term of the agreement and cure is not possible, the commissioner may immediately terminate the agreement.

Subd. 2e. Providers holding health or human services licenses. (a) Except for facilities with only a board and lodging license, when housing support staff are also operating under a license issued by the Department of Health or the Department of Human Services, the minimum staff qualification requirements for the setting shall be the qualifications listed under the related licensing standards.

(b) A background study completed for the licensed service must also satisfy the background study requirements under this section, if the provider has established the background study contact person according to chapter 245C and as directed by the Department of Human Services.

Subd. 2f. Required services. (a) In authorized settings under subdivision 2a, providers shall ensure that participants have at a minimum:

- (1) food preparation and service for three nutritional meals a day on site;
- (2) a bed, clothing storage, linen, bedding, laundering, and laundry supplies or service;
- (3) housekeeping, including cleaning and lavatory supplies or service; and
- (4) maintenance and operation of the building and grounds, including heat, water, garbage removal, electricity, telephone for the site, cooling, supplies, and parts and tools to repair and maintain equipment and facilities.

(b) In addition, when providers serve participants described in subdivision 1, paragraph (c), the providers are required to assist the participants in applying for continuing housing support payments before the end of the eligibility period.

Subd. 2g. Crisis shelters. Secure crisis shelters for victims of domestic abuse and their children designated by the Minnesota Department of Public Safety are not eligible for housing support under this chapter.

Subd. 2h. Required supplementary services. Providers of supplementary services shall ensure that recipients have, at a minimum, assistance with services as identified in the recipient's professional statement of need under section 256I.03, subdivision 12. Providers of supplementary services shall maintain case notes with the date and description of services provided to individual recipients.

Subd. 3. **Moratorium on development of housing support beds.** (a) Agencies shall not enter into agreements for new housing support beds with total rates in excess of the MSA equivalent rate except:

(1) for establishments licensed under chapter 245D provided the facility is needed to meet the census reduction targets for persons with developmental disabilities at regional treatment centers;

(2) up to 80 beds in a single, specialized facility located in Hennepin County that will provide housing for chronic inebriates who are repetitive users of detoxification centers and are refused placement in emergency shelters because of their state of intoxication, and planning for the specialized facility must have been initiated before July 1, 1991, in anticipation of receiving a grant from the Housing Finance Agency under section 462A.05, subdivision 20a, paragraph (b);

(3) notwithstanding the provisions of subdivision 2a, for up to 226 supportive housing units in Anoka, Carver, Dakota, Hennepin, Ramsey, Scott, or Washington County for homeless adults with a mental illness, a history of substance abuse, or human immunodeficiency virus or acquired immunodeficiency syndrome. For purposes of this section, "homeless adult" means a person who is living on the street or in a shelter or discharged from a regional treatment center, community hospital, or residential treatment program and has no appropriate housing available and lacks the resources and support necessary to access appropriate housing. At least 70 percent of the supportive housing units must serve homeless adults with mental illness, substance abuse problems, or human immunodeficiency virus or acquired immunodeficiency syndrome who are about to be or, within the previous six months, have been discharged from a regional treatment center, or a state-contracted psychiatric bed in a community hospital, or a residential mental health or substance use disorder treatment program. If a person meets the requirements of subdivision 1, paragraph (a), and receives a federal or state housing subsidy, the housing support rate for that person is limited to the supplementary rate under section 256I.05, subdivision 1a, and is determined by subtracting the amount of the person's countable income that exceeds the MSA equivalent rate from the housing support supplementary service rate. A resident in a demonstration project site who no longer participates in the demonstration program shall retain eligibility for a housing support payment in an amount determined under section 256I.06, subdivision 8, using the MSA equivalent rate. Service funding under section 256I.05, subdivision 1a, will end June 30, 1997, if federal matching funds are available and the services can be provided through a managed care entity. If federal matching funds are not available, then service funding will continue under section 256I.05, subdivision 1a;

(4) for an additional two beds, resulting in a total of 32 beds, for a facility located in Hennepin County providing services for men with and recovering from substance use disorder that has had a housing support contract with the county and has been licensed as a board and lodge facility with special services since 1980;

(5) for a housing support provider located in the city of St. Cloud, or a county contiguous to the city of St. Cloud, that operates a 40-bed facility, that received financing through the Minnesota Housing Finance Agency Ending Long-Term Homelessness Initiative and serves clientele with substance use disorder, providing 24-hour-a-day supervision;

(6) for a new 65-bed facility in Crow Wing County that will serve persons with substance use disorder, operated by a housing support provider that currently operates a 304-bed facility in Minneapolis, and a 44-bed facility in Duluth;

(7) for a housing support provider that operates two ten-bed facilities, one located in Hennepin County and one located in Ramsey County, that provide community support and 24-hour-a-day supervision to serve the mental health needs of individuals who have chronically lived unsheltered; and

(8) for a facility authorized for recipients of housing support in Hennepin County with a capacity of up to 48 beds that has been licensed since 1978 as a board and lodging facility and that until August 1, 2007, operated as a licensed substance use disorder treatment program.

(b) An agency may enter into a housing support agreement for beds with rates in excess of the MSA equivalent rate in addition to those currently covered under a housing support agreement if the additional beds are only a replacement of beds with rates in excess of the MSA equivalent rate which have been made available due to closure of a setting, a change of licensure or certification which removes the beds from housing support payment, or as a result of the downsizing of a setting authorized for recipients of housing support. The transfer of available beds from one agency to another can only occur by the agreement of both agencies.

Subd. 4. Rental assistance. For participants in the Minnesota supportive housing demonstration program under subdivision 3, paragraph (a), clause (3), notwithstanding the provisions of section 256I.06, subdivision 8, the amount of the room and board rate must be calculated by subtracting 30 percent of the recipient's adjusted income as defined by the United States Department of Housing and Urban Development for the Section 8 program from the fair market rent established for the recipient's living unit by the federal Department of Housing and Urban Development. This payment shall be regarded as a state housing subsidy for the purposes of subdivision 3. Notwithstanding the provisions of section 256I.06, subdivision 6, the recipient's countable income will only be adjusted when a change of greater than \$100 in a month occurs or upon annual redetermination of eligibility, whichever is sooner.

Subd. 5. Employment. A provider is prohibited from limiting or restricting the number of hours an applicant or recipient is employed.

(a) Subject to the provisions of section 256I.04, subdivision 3, the agency may negotiate a payment not to exceed \$494.91 for other services necessary to provide room and board if the residence is licensed by or registered by the Department of Health, or licensed by the Department of Human Services to provide services in addition to room and board, and if the provider of services is not also concurrently receiving funding for services for a recipient in the residence under the following programs or funding sources: (1) home and community-based waiver services under chapter 256S or section 256B.0913, 256B.092, or 256B.49; (2) personal care assistance under section 256B.0659; (3) community first services and supports under section 256B.85; or (4) services for adults with mental illness grants under section 245.73. If funding is available for other necessary services through a home and

community-based waiver under chapter 256S, or section 256B.0913, 256B.092, or 256B.49; personal care assistance services under section 256B.0659; community first services and supports under section 256B.85; or services for adults with mental illness grants under section 245.73, then the housing support rate is limited to the rate set in subdivision 1. Unless otherwise provided in law, in no case may the supplementary service rate exceed \$494.91. The registration and licensure requirement does not apply to establishments which are exempt from state licensure because they are located on Indian reservations and for which the tribe has prescribed health and safety requirements. Service payments under this section may be prohibited under rules to prevent the supplanting of federal funds with state funds.

(b) Agencies must not negotiate supplementary service rates with providers of housing support that are licensed as board and lodging with special services and that do not encourage a policy of sobriety on their premises and make referrals to available community services for volunteer and employment opportunities for residents.

(d) An agency may increase the rates for residents in facilities meeting substantial change criteria within the prior year. Substantial change criteria exist if the establishment experiences a 25 percent increase or decrease in the total number of its beds, if the net cost of capital additions or improvements is in excess of 15 percent of the current market value of the residence, or if the residence physically moves, or changes its licensure, and incurs a resulting increase in operation and property costs.

Housing support payments made by a county agency on behalf of an individual who is not expected to remain in the establishment beyond the month for which payment is made must be made subsequent to the individual's departure from the residence.

Subd. 3. **Filing of application.** Applications must be submitted according to section 256P.04, subdivision 1a. The county agency must determine an applicant's eligibility for housing support as soon as the required verifications are received by the county agency and within 30 days after a signed application is received by the county agency for the aged or blind or within 60 days for people with a disability.

Subd. 4. **Verification.** The county agency must request, and applicants and recipients must provide and verify, all information necessary to determine initial and continuing eligibility and housing support payment amounts. If necessary, the county agency shall assist the applicant or recipient in obtaining verifications. If the applicant or recipient refuses or fails without good cause to provide the information or verification, the county agency shall deny or terminate eligibility for housing support payments.

The termination shall be effective on the first day of the month following the month in which the household report form was due. If the assistance unit submits the household report form within 30 days of the termination of benefits and remains eligible, benefits must be reinstated and made available retroactively for the full benefit month.

Subd. 7. **Determination of rates.** The agency in the county in which a residence is located shall determine the amount of the housing support rate to be paid on behalf of an individual in the residence regardless of the individual's agency of financial responsibility.

The housing support payment is determined by multiplying the housing support rate times the period of time the individual was a resident or temporarily absent under section 256I.05, subdivision 2a.

(b) For an individual with earned income under paragraph (a), prospective budgeting according to section 256P.09 must be used.
