299A.42 PUBLIC SAFETY OFFICER'S BENEFIT ACCOUNT.

Subdivision 1. **Public safety officer's benefit account.** The public safety officer's benefit account is created in the state treasury. Money in the account consists of money transferred and appropriated to that account. Money in the account that is not expended in the fiscal year in which it is transferred or appropriated does not revert to the general fund until claims for reimbursement under section 299A.465 that are submitted in that fiscal year are either paid or denied.

Subd. 2. **Annual report.** The commissioner of public safety must annually report, no later than 30 days after the end of each fiscal year, to the chairs and ranking minority members of the legislative committees with jurisdiction over public safety and pensions regarding the financial status of the public safety officer's benefit account; the reimbursements paid by the commissioner during the preceding fiscal year under sections

299A.465, 352B.102, and 353.032; and payments, if any, made during the preceding fiscal year under sections 352B.103 and 353.033. If the commissioner anticipates, based on historical averages, that the public safety officer's benefit account will not have enough money to fund all reimbursements the commissioner reasonably anticipates will be requested under sections 299A.465, 352B.102, and 353.032 and payments for which invoices will be received under sections 352B.103 and 353.033 for the current and next fiscal year, the commissioner must include in the report the amounts the commissioner believes are necessary to fund the anticipated reimbursements and payments.

- (5) if there is no surviving spouse, dependent child, or dependent parent, to the public safety officer's estate.

(b) If there are both a spouse and one or more dependent children under age 18, the spouse, at the spouse's discretion, may spend a maximum of one-third of a child's share on medical or dental treatment for the child or the child's education. Expenditures under this paragraph on behalf of a child do not diminish the shares of any other children. In addition, a spouse, at the spouse's discretion, may expend money from a child's share to pay state and federal taxes on any interest accrued on the share.

Subd. 2. **Adjustment of benefit.** On October 1 of each year beginning after July 1, 1995, the commissioner of public safety shall adjust the level of the benefit payable immediately before October 1 under subdivision 1, to reflect the annual percentage change in the Consumer Price Index for all urban

consumers, published by the federal Bureau of Labor Statistics, occurring in the one-year period ending on June 1 immediately preceding such October 1.

(c) For the purposes of this subdivision, "fees" include only those fees that are mandatory and charged to all students attending the institution.

(d) For the purpose of benefits awarded under this section, "full time" for a graduate program is eight or more credits per term or the equivalent.

An award must not be given to a dependent child who is 23 years of age or older on the first day of the academic year.

299A.465 CONTINUED HEALTH INSURANCE COVERAGE.

Subdivision 1. **Officer or firefighter disabled in line of duty.** (a) This subdivision applies to any peace officer or firefighter:

(1) who the Public Employees Retirement Association or the Minnesota State Retirement System determines is eligible to receive a duty disability benefit pursuant to section 353.656 or 352B.10, subdivision 1, respectively; or

(2) who (i) does not qualify to receive disability benefits by operation of the eligibility requirements set forth in section 353.656, subdivision 1, paragraph (b), (ii) retires pursuant to section 353.651, subdivision 4, or (iii) is a member of a local police or salaried firefighters relief association and qualifies for a duty disability benefit under the terms of plans of the relief associations, and the peace officer or firefighter described in item (i), (ii), or (iii) has discontinued public service as a peace officer or firefighter as a result of a disabling injury and has been determined, by the Public Employees Retirement Association, to have otherwise met the duty disability criteria set forth in section 353.01, subdivision 41.

(b) A determination made on behalf of a peace officer or firefighter described in paragraph (a), clause (2), must be at the request of the peace officer or firefighter made for the purposes of this section. Determinations made in accordance with paragraph (a) are binding on the peace officer or firefighter, employer, and state. The determination must be made by the executive director of the Public Employees Retirement Association or by the executive director of the Minnesota State Retirement System, whichever applies, and is not subject to section 356.96, subdivision 2. Upon making a determination, the executive director shall provide written notice to the peace officer or firefighter and the employer. This notice must include:

(1) a written statement of the reasons for the determination;

(2) a notice that the person may petition for a review of the determination by requesting that a contested case be initiated before the Office of Administrative Hearings, the cost of which must be borne by the peace officer or firefighter and the employer; and

(3) a statement that any person who does not petition for a review within 60 days is precluded from contesting issues determined by the executive director in any other administrative review or court procedure.

If, prior to the contested case hearing, additional information is provided to support the claim for duty disability as defined in section 352B.011, subdivision 7, or 353.01, subdivision 41, whichever applies, the executive director may reverse the determination without the requested hearing. If a hearing is held before the Office of Administrative Hearings, the determination rendered by the judge conducting the fact-finding hearing is a final decision and order under section 14.62, subdivision 2a, and is binding on the applicable executive director, the peace officer or firefighter, employer, and state. Review of a final determination made by the Office of Administrative Hearings under this section may only be obtained by writ of certiorari to the Minnesota Court of Appeals under sections 14.63 to 14.68. Only the peace officer or firefighter, employer, and state have standing to participate in a judicial review of the decision of the Office of Administrative Hearings.

(c) The officer's or firefighter's employer shall continue to provide health coverage for:

(1) the officer or firefighter; and

(2) the officer's or firefighter's dependents if the officer or firefighter was receiving dependent coverage at the time of the injury under the employer's group health plan.

(d) The employer is responsible for the continued payment of the employer's contribution for coverage of the officer or firefighter and, if applicable, the officer's or firefighter's dependents. Coverage must continue for the officer or firefighter and, if applicable, the officer's or firefighter's dependents until the officer or firefighter reaches or, if deceased, would have reached the age of 65. However, coverage for dependents does not have to be continued after the person is no longer a dependent.

Subd. 2. Officer or firefighter killed in line of duty. (a) This subdivision applies when a peace officer, firefighter, or volunteer firefighter is killed while on duty and discharging the officer's, firefighter's, or volunteer firefighter's duties as a peace officer, firefighter, or volunteer firefighter.

(b) The officer's or firefighter's employer shall continue to cover the deceased officer's or firefighter's dependents, including the officer's or firefighter's spouse:

(1) if the officer, firefighter, or volunteer firefighter was receiving dependent coverage at the time of the officer's, firefighter's, or volunteer firefighter's death under the employer's group health plan; or

(2) if the officer's, firefighter's, or volunteer firefighter's spouse was not covered as a dependent at the time of the officer's, firefighter's, or volunteer firefighter's death, but at that time was eligible, or afterward becomes eligible, to be a dependent on the employer's group health plan.

(c) The employer is responsible for the employer's contribution for the coverage of the officer's, firefighter's, or volunteer firefighter's dependents. Subject to subdivision 5, paragraph (b), clause (2), coverage must continue for a dependent of the officer, firefighter, or volunteer firefighter as follows: (1) for a surviving spouse, until the surviving spouse reaches the age of 65; and (2) for each other dependent, until the dependent reaches the age of 26, except as otherwise provided in section 62L.02, subdivision 11.

Subd. 2a. Volunteer firefighter killed in line of duty. (a) This subdivision applies when a volunteer firefighter is killed while on duty and discharging the volunteer firefighter's duties as a volunteer firefighter and the municipality or municipalities that operate the fire department did not offer a group health insurance policy to which a volunteer firefighter was eligible to subscribe.

(b) The municipality or municipalities that operate the fire department that the volunteer firefighter served with shall, until coverage terminates as provided under subdivision 2, paragraph (c), either: (1) provide health insurance coverage for the volunteer firefighter's dependents that is equivalent to the average benefit

provided by the municipality or municipalities to dependents of its employees who are covered by the plan; or (2) reimburse the dependents, if the municipality or municipalities do not offer a group health insurance plan for any employees, for a minimum of 50 percent of the cost of health insurance premiums for coverage selected by the dependents.

Subd. 3. **Coordination of benefits.** Health insurance benefits payable to the officer or firefighter and the officer's or firefighter's dependents from any other source provide the primary coverage, and coverage available under this section is secondary.

Subd. 4. **Public employer reimbursement.** (a) A public employer may annually apply by August 1 for the preceding fiscal year to the commissioner of public safety for reimbursement of its costs of complying with this section and sections 352B.102 and 353.032. Except as provided for in paragraph (b), the commissioner shall provide reimbursement to the public employer out of the public safety officer's benefit account.

(1) annual wellness training to peace officers and firefighters who either are employed or volunteer for the employer; or

(2) an employee assistance program or peer support program.

(c) Wellness training for peace officers under paragraph (b), clause (1), must incorporate the learning objectives established by the Peace Officer Standards and Training Board under section 626.8478. No later than February 1, 2024, the Minnesota Fire Initiative must create a wellness training program for public employers to offer to firefighters to satisfy the requirements of paragraph (b). Training programs established in the Hometown Heroes Assistance Program under section 299A.477, subdivision 2, clause (4), satisfy the requirements of paragraph (b).

(f) For purposes of subdivisions 2 to 5a, "employer" includes a municipality or municipalities that operate the fire department in which a volunteer firefighter serves.

Subd. 5a. **Minimum benefit.** Nothing in this section prohibits an employer from providing benefits to survivors of deceased volunteer firefighters that are greater than the benefits required under this section.

ADMINISTRATIVE PENALTIES AND REMEDIES

299A.80 ADMINISTRATIVE POWERS AND PENALTIES; GENERAL.

Subdivision 1. **Definitions.** (a) For purposes of sections 299A.80 to 299A.802, the terms defined in this subdivision have the meanings given them.

(b) "Administrative agent" means a person or entity licensed by or granted authority by the commissioner of public safety under:

- (1) section 168.33 as a deputy registrar; or
- (2) section 171.061 as a driver's license agent.

(c) "Other authority" means licenses, orders, stipulation agreements, settlements, or compliance agreements adopted or issued by the commissioner of public safety.

(d) "Commissioner" means the commissioner of public safety.

(e) "License" means a license, permit, registration, appointment, or certificate issued or granted to an administrative agent by the commissioner of public safety.

Subd. 2. **Applicability.** Sections 299A.80 to 299A.802 apply to administrative agents licensed by or subject to other authority of the commissioner.

Subd. 3. **Cumulative remedy.** The authority of the commissioner to issue a corrective order or assess an administrative penalty under sections 299A.80 to 299A.802 is in addition to other remedies available under statutory or common law, except that the state may not seek a civil penalty under any other law for a violation covered by an administrative penalty order. The payment of a penalty does not preclude the use of other enforcement provisions, under which civil fines are not assessed, in connection with the violation for which the penalty was assessed.

Subd. 4. **Access to information and property.** The commissioner, an employee, or an agent authorized by the commissioner, upon presentation of credentials, may:

- (1) examine and copy any books, papers, records, memoranda, or data of an administrative agent; and
- (2) enter upon any property where an administrative agent conducts its place of business to take actions authorized under statute, rule, or other authority, including (i) obtaining information from an administrative agent who has a duty to provide information under statute, rule, or other authority, (ii) taking steps to remedy violations, or (iii) conducting surveys or investigations.

Subd. 5. **False information.** (a) An administrative agent may not:

- (1) make a false material statement, representation, or certification in a required document;
- (2) omit material information from a required document; or
- (3) alter, conceal, or fail to file or maintain a required document.

(b) In this section, "required document" means a notice, application, record, report, plan, or other document required under statute, rule, or other authority.

Subd. 6. Enforcement. (a) The attorney general may proceed on behalf of the state to enforce administrative penalties that are due and payable under section 299A.802 in any manner provided by law for the collection of debts.

(b) The attorney general may petition the district court to file a final administrative penalty order as an order of the court. At any court hearing to enforce a final administrative penalty order, the only issues the parties may contest are procedural and notice issues. Once entered, the administrative penalty order may be enforced in the same manner as a final judgment of the district court. This paragraph does not preclude district court review of the merits of an administrative penalty order if the order is appealed by the administrative agent under section 299A.802, subdivision 5.

(c) If an administrative agent fails to pay an administrative penalty, the attorney general may bring a civil action in district court seeking payment of the penalty, injunctive relief, or other appropriate relief including monetary damages, attorney fees, costs, and interest.

Subd. 7. Recovery of reasonable costs and attorney fees. (a) In any judicial action brought by the attorney general for civil penalties, injunctive relief, or an action to compel performance pursuant to this section, if the state finally prevails, and if the proven violation was willful, the state, in addition to other penalties provided by law, may be allowed an amount determined by the court to be the reasonable value of all or part of the costs and attorney fees incurred by the state or the prevailing party. In determining the amount of the reasonable costs and attorney fees to be allowed, the court must give consideration to the economic circumstances of the defendant.

(b) However, if a defendant prevails, the court may award the reasonable value of all or part of the reasonable costs and attorney fees incurred by the defendant.

Subd. 8. Education and compliance account; money allocated. An education and compliance account is created for the deposit of administrative penalty order receipts. Of the funds deposited in this account, \$5,000 each year is appropriated to the commissioner for education and compliance activities related to the regulated parties affected by this chapter. At the end of each biennium, all money not expended lapses to the general fund.

Subd. 9. Plan for using penalty order or cease and desist authority. The commissioner shall prepare a plan for using the administrative penalty order and cease and desist authority in this section. The commissioner shall provide a 30-day period for public comment on the plan. The plan must be finalized by July 1, 2004, and may be modified as necessary upon subsequent notice and opportunity for comment.

299A.801 CORRECTIVE ORDERS AND INJUNCTIONS.

Subdivision 1. Corrective order. (a) Before seeking an administrative penalty order under section 299A.802, the commissioner must issue a corrective order that requires the administrative agent to correct the violation of statute, rule, or other authority. The corrective order must state the deficiencies that constitute

the violation of the specific statute, rule, or other authority, and the time by which the violation must be corrected. In addition to service by certified mail on the administrative agent, a copy of the corrective order must be given to the county auditor in the county where the administrative agent is located.

(b) The administrative agent to whom the corrective order was issued shall provide information to the commissioner, by the due date stated in the corrective order, demonstrating that the violation has been corrected or that the administrative agent has developed a corrective plan acceptable to the commissioner. The commissioner must determine whether the violation has been corrected and notify the administrative agent subject to the order of the commissioner's determination.

(c) If the administrative agent believes that the information contained in the commissioner's corrective order is in error, the administrative agent may ask the commissioner to reconsider the parts of the corrective order that are alleged to be in error. The request must:

- (1) be in writing;
- (2) be delivered to the commissioner by certified mail within seven calendar days after receipt of the corrective order;
- (3) specify which parts of the corrective order are alleged to be in error and explain why they are in error; and
- (4) provide documentation to support the allegation of error.

(d) The commissioner shall respond to requests made under paragraph (c) within 15 calendar days after receiving a request. A request for reconsideration does not stay the corrective order; however, after reviewing the request for reconsideration, the commissioner may provide additional time to comply with the order if necessary. The commissioner's disposition of a request for reconsideration of a corrective order is final.

Subd. 2. Cease and desist order. The commissioner, or an employee of the department designated by the commissioner, may issue an order to cease an activity otherwise authorized by statute, rule, or other authority if continuation of the activity would result in an immediate risk to public safety. A cease and desist order issued under this subdivision is effective for a maximum of 72 hours. In conjunction with issuing the cease and desist order, the commissioner may post a sign to cease an activity until the cease and desist order is lifted and the sign is removed by the commissioner. To restrain activities for a period beyond 72 hours, the commissioner must seek an injunction or take other administrative action authorized by law. The issuance of a cease and desist order does not preclude the commissioner from pursuing any other enforcement action available to the commissioner.

Subd. 3. Action for injunctive relief. In addition to any other remedy provided by law, the commissioner may bring an action for injunctive relief in the District Court in Ramsey County or, at the commissioner's discretion, in the district court in the county in which a violation of a statute, rule, or other authority has occurred to enjoin the violation.

Subdivision 1. Authority; maximum penalty amount; notice. The commissioner may issue an administrative penalty order for a violation of statute, rule, or other authority if an administrative agent has failed to comply with a corrective order issued under section 299A.801 related to that violation. The maximum amount of an administrative penalty order is \$10,000 for each administrative agent for all violations identified

in an inspection or review of compliance. In addition to service by certified mail on the administrative agent, a copy of the administrative penalty order must be given to the county auditor in the county where the administrative agent is located.

Subd. 2. **Amount of penalty; considerations.** (a) In determining the amount of a penalty to be assessed under this section, the commissioner may consider:

- (1) the willfulness of the violation;
 - (2) the gravity of the violation, including damage to consumers or the state;
 - (3) the history of past violations;
 - (4) the number of violations;
 - (5) the economic benefit gained by the administrative agent by allowing or committing the violation;
- and
- (6) other factors as justice may require, if the commissioner specifically identifies the additional factors in the commissioner's order.

(b) If an administrative agent violates a corrective order after a violation of a previous corrective order, the commissioner, in determining the amount of a penalty, must consider the factors in paragraph (a) and the following factors:

- (1) similarity of the most recent previous violation of a corrective order and the violation to be penalized;
- (2) time elapsed since the last violation of a corrective order;
- (3) number of previous violations; and
- (4) response of the administrative agent to the most recent previous violation identified.

Subd. 3. **Contents of order.** An administrative penalty order under this section must include:

- (1) a concise statement of the facts alleged to constitute a violation;
- (2) a reference to the portion of the statute, rule, variance, order, or stipulation agreement or the term or condition of a permit that has been violated;
- (3) a description of the violation of the corrective order that forms the basis for issuance of the administrative penalty order;
- (4) a statement of the amount of the administrative penalty to be imposed and the factors upon which the penalty is based; and
- (5) a statement of the administrative agent's right to review and appeal of the administrative penalty order.

Subd. 4. **Due date.** (a) Unless the administrative agent requests review of the administrative penalty order under subdivision 5 before the penalty is due, the penalty in the order is due and payable on the 31st day after the administrative penalty order was received, if the administrative agent subject to the order fails to provide information to the commissioner showing that the violation has been corrected or that appropriate steps have been taken toward correcting the violation. These requirements may be waived or extended by the commissioner.

(b) Interest at the rate established in section 549.09 begins to accrue on penalties under this subdivision on the 31st day after the order with the penalty was received, unless waived by the commissioner.

Subd. 5. Expedited administrative hearing. (a) Within 30 days after receiving an administrative penalty order, the administrative agent subject to an order under this section may request an expedited hearing, using the procedures of Minnesota Rules, parts 1400.8510 to 1400.8612, or their successor rules, to review the commissioner's action. The hearing request must specifically state the reasons for seeking review of the administrative penalty order. The administrative agent to whom the administrative penalty order is directed and the commissioner are the parties to the expedited hearing. At least 15 days before the hearing, the commissioner shall notify the administrative agent to whom the administrative penalty order is directed of the time and place of the hearing. The expedited hearing must be held within 30 days after a request for hearing has been filed with the commissioner unless the parties agree to a later date.

(b) All written arguments must be submitted within ten days following the close of the hearing. The hearing must be conducted under Minnesota Rules, parts 1400.8510 to 1400.8612, or their successor rules, as modified by this subdivision. The Office of Administrative Hearings, in consultation with the agency, may adopt rules specifically applicable to cases under this section.

(c) Within 30 days following the close of the record, the administrative law judge shall issue a report making recommendations about the commissioner's action to the commissioner. The administrative law judge may not recommend a change in the amount of the proposed administrative penalty unless the administrative law judge determines that, based on the factors in subdivision 1, the amount of the administrative penalty is unreasonable.

(d) If the administrative law judge makes a finding that the hearing was requested solely for purposes of delay or that the hearing request was frivolous, the commissioner may add to the amount of the administrative penalty the costs charged to the agency by the Office of Administrative Hearings for the hearing.

(e) If a hearing has been held, the commissioner may not issue a final order until at least five days after receipt of the report of the administrative law judge. Within those five days, the administrative agent to whom an administrative penalty order is issued may comment to the commissioner on the recommendations and the commissioner shall consider the comments. The final administrative penalty order may be appealed to the district court for a de novo review of the order.

(f) If a hearing has been held and a final administrative penalty order issued by the commissioner, the administrative penalty must be paid by 30 days after the date the final order is received unless it is appealed to the district court. If an appeal is not taken or the administrative penalty order is upheld on appeal, the amount due is the administrative penalty, together with interest accruing from 31 days after the original order was received, at the rate established in section 549.09.

Subd. 6. Mediation. In addition to review under subdivision 5, the commissioner may enter into mediation concerning an order issued under this section if the commissioner and the administrative agent to whom the order is issued both agree to mediation.
