Subd. 3. **Alterations.** No person shall alter any manufactured home to which a seal or label has been affixed if the alteration causes the manufactured home to be in violation of the Manufactured Home Building Code. The commissioner may make rules regarding alterations and permits therefor.

Subd. 4. [Repealed, 2010 c 347 art 3 s 75]

Subd. 5. **Effect of compliance.** No manufactured home which bears a seal or label as provided in this section shall be required by any agency or political subdivision of this state to comply with any other building, plumbing, heating, or electrical code or any construction standards other than the Manufactured Home Building Code nor be subject to any other state or local building inspection, except as the commissioner shall, by rule, provide in the case of alterations, manufactured home accessory structures and installations, or except as otherwise provided by federal or state law. No manufactured home installation or manufactured home accessory structure shall be required by any agency or political subdivision of this state to comply with any installation standards other than those adopted and promulgated by the commissioner. Nothing in this section shall be construed to inhibit the application of zoning, subdivision, architectural, or esthetic requirements pursuant to chapter 462.

Subd. 6. **Prohibition.** No person shall install any manufactured home or manufactured home accessory structure in violation of any rule promulgated by the commissioner. The commissioner shall issue installation seals to any manufactured home installer upon application supported by evidence the commissioner deems necessary to establish that the seals will be affixed only to those manufactured homes where the installation complies with the commissioner's rules. No person shall install a manufactured home in a manufactured home park as defined in section 327.14, subdivision 3, which is located within a governmental subdivision which has enacted an ordinance requiring that manufactured homes within its jurisdiction be secured by an anchoring system, unless the manufactured home is secured by an anchoring system which complies with the commissioner's rules.

Subd. 7. **Enforcement.** All jurisdictions enforcing the State Building Code, in accordance with sections 326B.101 to 326B.151, shall undertake or provide for the administration and enforcement of the manufactured home installation rules promulgated by the commissioner. Municipalities which have adopted the State Building Code may provide installation inspection and plan review services in areas of the state without local building code enforcement.

Subd. 8. **Evidence of compliance.** Each manufacturer, distributor, and dealer shall establish and maintain records, make reports, and provide information as the commissioner or the secretary may reasonably require to be able to determine whether the manufacturer, distributor, or dealer has acted or is acting in compliance with sections 327.31 to 327.35, and shall, upon request of a person duly designated by the commissioner or the secretary, permit that person to inspect appropriate books, papers, records, and documents relevant to determining whether that manufacturer, distributor, or dealer has acted or is acting in compliance with sections 327.31 to 327.35, and the National Manufactured Home Construction and Safety Standards Act of 1974, United States Code, title 42, section 5401, et seq., as amended by the National Manufactured Housing

Construction and Safety Standards Act, Title VI, Manufactured Housing Improvement Act of 2000, or other applicable federal or state law.

327.33 ADMINISTRATION.

Subdivision 1. **Inspections.** The commissioner shall, through the department's inspectors or through a designated recognized inspection service acting as authorized representative of the commissioner perform inspections of manufacturing premises and manufactured homes to ensure compliance with sections 327.31 to 327.35. The commissioner shall have the exclusive right to conduct inspections, except for the inspections conducted or authorized by the secretary.

Subd. 2. **Fees.** The commissioner shall by rule establish reasonable fees for seals, installation seals and inspections which are sufficient to cover all costs incurred in the administration of sections 327.31 to 327.35. The commissioner shall also establish by rule a monitoring inspection fee in an amount that will comply with the secretary's fee distribution program. This monitoring inspection fee shall be an amount paid by the manufacturer for each manufactured home produced in Minnesota. The monitoring inspection fee shall be paid by the manufacturer to the secretary. The rules of the fee distribution program require the secretary to distribute the fees collected from all manufactured home manufacturers among states approved and conditionally approved based on the number of new manufactured homes whose first location after leaving the manufacturer is on the premises of a distributor, dealer or purchaser in that state. Fees for inspections in areas that have not adopted the State Building Code must be equal to the fees for inspections in code areas of the state. Third-party vendors may charge their usual and normal charge for inspections.

Subd. 2a. **Construction seal fees.** Replacement manufactured home or accessory structure construction seal fees, including certificates, are \$70 per seal.

Subd. 2b. **Installation seal fees.** Manufactured home installation seal fees, including anchoring and support and including certificates, are \$325.

Subd. 2d. **Label fee.** The United States Department of Housing and Urban Development label fee shall be paid by the manufacturer to the secretary.

Subd. 2e. **Seal order shipping and handling fee.** The shipping and handling fee for each order of seals is the current postage rate plus a \$3 handling fee.

Subd. 2g. **Installation plan review and inspection fee.** The plan review and inspection fee for the commissioner's plan review and inspection of new or reinstalled manufactured homes and manufactured home accessory structures in areas of the state without local building code enforcement is \$1,200.

Subd. 3. **Administration and enforcement rules.** The commissioner may adopt other rules as may be necessary to administer and enforce sections 327.31 to 327.35. The rules shall, to the extent practicable, be

uniform with those adopted by other states. All rules shall be adopted in the manner prescribed by sections 14.001 to 14.69.

Subd. 4. **Installation rules.** The commissioner shall adopt rules governing the installation of manufactured homes, and shall include them in the State Building Code. The rules may include a list of specific safety items to be inspected at the time of installation.

Subd. 5. **Accessory structures rules.** The commissioner shall adopt rules governing the construction and installation of manufactured home accessory structures including, but not limited to, rules relating to the certification of prefabricated manufactured home accessory structures. Upon showing that another state provides for certification of prefabricated manufactured home accessory structures manufactured in compliance with standards at least equal to those established by the commissioner, the commissioner may by rule provide that any structure bearing certification affixed under the authority of that state shall not be required to bear the certification of this state.

Subd. 6. **Authorization as agency.** The commissioner shall apply to the secretary for approval of the commissioner as the administrative agency for the regulation of manufactured homes under the rules of the secretary. The commissioner may make rules for the administration and enforcement of department responsibilities as a state administrative agency including, but not limited to, rules for the handling of citizen's complaints. All money received for services provided by the commissioner or the department's authorized agents as a state administrative agency shall be deposited in the construction code fund. The commissioner is charged with the adoption, administration, and enforcement of the Manufactured Home Construction and Safety Standards, consistent with rules and regulations promulgated by the United States Department of Housing and Urban Development. The commissioner may adopt the rules, codes, and standards necessary to enforce the standards promulgated under this section. MANUFACTURED HOME REPOSSESSION SECURITY ACT

327.61 CITATION.

Sections 327.61 to 327.67 may be cited as the "Manufactured Home Repossession Security Act of 1975."

History: *1976 c 250 s 1; 1981 c 365 s 9*

327.62 DEFINITIONS.

Subdivision 1. **Scope.** For the purposes of sections 327.61 to 327.67, unless the context clearly indicates otherwise, the terms defined in the Uniform Commercial Code, as adopted in this state, and the terms defined in this section have the meanings given them.

Subd. 2. **Manufactured home.** "Manufactured home" means a manufactured home, as defined in section 327.31, subdivision 6, which is located in this state, which is subject to a security interest or other valid encumbrance, and which is the principal residence of the manufactured home's occupant; provided, that when used in section 327.63, subdivision 2, the term also includes a manufactured home which is not the principal residence of the occupant.

History: 1976 c 250 s 2; 1982 c 526 art 3 s 10

327.63 APPLICABILITY.

Subdivision 1. **U.C.C. and chapter 565.** To the extent that the procedures established by sections 327.61 to 327.67 differ from the procedures established or authorized for repossession of a manufactured home under the Uniform Commercial Code of this state, the provisions of sections 327.61 to 327.67 shall supersede the code and shall govern the repossession of the manufactured home. The procedures established by sections 327.61 to 327.67 must be satisfied before a secured party may take any action pursuant to chapter 565.

Subd. 2. **Improvements to real property.** Affixing a manufactured home to real estate does not extinguish an otherwise valid security interest in the home. A manufactured home which is affixed to real estate while not encumbered by a valid security interest shall be treated as an improvement to real estate and sections 327.61 to 327.67 shall not apply to it. If real estate to which an unencumbered manufactured home has been affixed as an improvement is subject to proceedings under section 559.21 or chapter 580 or 581, the presence of the home on the real estate does not necessitate any changed or additional procedures.

327.64 NOTICE OF DEFAULT; SERVICE.

Subdivision 1. **Generally.** When a default occurs under the terms of a security agreement covering a manufactured home as collateral, and the secured party desires to repossess the manufactured home, the secured party shall commence the repossession in a manner authorized by this section.

Subd. 2. **Notice; service.** (a) A secured party may commence repossession of a manufactured home by personally serving upon, or by sending by certified or registered United States mail and concurrently sending a copy of the notice by first class mail to, the occupant of the manufactured home a notice and, if the occupant is not the debtor, by sending a registered or certified letter to the last known address of the debtor under the security agreement, both setting forth the circumstances constituting the default under the security agreement and stating that the secured party will at the expiration of a 30-day period following receipt of the notice seek a court order removing the occupant from the manufactured home and repossessing the manufactured home, unless the debtor or the occupant acting on behalf of the debtor cures the default prior to that time and in the manner provided by section 327.66. If notice is mailed to a debtor in accordance with this subdivision, the secured party by affidavit shall set forth the circumstances causing the secured party to believe that the debtor could be reached at the address to which the notice was mailed. The affidavit shall state that the secured party has no reliable information causing the secured party to conclude that the debtor might receive mailed notice at another address.

(b) The notice must state: "Your loan is currently in default. Contact us immediately at [insert phone number] to discuss possible options for preventing repossession. Subdivision 1. **Smoking prohibited.** No person shall smoke cigarettes, cigars, pipes, or other smoking material in a hotel sleeping room designated nonsmoking.

Subd. 2. **Penalty.** A person who violates this section is guilty of a petty misdemeanor. Upon conviction, the court may require a person who violates this section to reimburse the innkeeper for actual costs incurred to restore the room to its previolation condition.

Subd. 2a. **Civil penalty and service charge.** Unless a court orders reimbursement under subdivision 2, a person who violates this section is liable to the innkeeper for the cost of restoring the damaged room to its previolation condition and a service charge of \$30. The service charge may be imposed immediately upon the mailing of the notice required under subdivision 4, if the notice of the charge was displayed according to subdivision 3. If the person does not reimburse the innkeeper within 30 days after the innkeeper has mailed notice under subdivision 4, the innkeeper may seek a civil judgment for the cost of restoring the room to previolation condition, the service charge, and a civil penalty not to exceed \$100. If the innkeeper prevails, the court shall order payment of:

- (1) interest at the legal rate for judgments under section 549.09 from the date of nonpayment; and

The notice must include a statement that additional civil penalties will be imposed if payment is not received within 30 days. Only one service charge may be imposed under this subdivision for each incident.

Subd. 5. **Notice of dispute.** If, within the 30-day period under subdivision 2a, the violating party sends written notice to the innkeeper disputing the innkeeper's claim that the person smoked in a nonsmoking room, the innkeeper may collect the cost of restoring the room to previolation condition and the civil penalties imposed by this section only under a judgment rendered by a court of competent jurisdiction. Upon receipt of notice of dispute, the innkeeper shall cease all collection efforts.

Subd. 6. **Not a bar to criminal liability.** Civil liability under this section does not preclude criminal liability under subdivision 2.

Subdivision 1. **Lien created.** An innkeeper shall have a lien upon the valuables, baggage or other property of a guest brought into the innkeeper's hotel, for the proper charges due on account of the guest's accommodation, board, room and lodging, for all money paid out for or advanced to the guest, for extras furnished to the guest at the guest's written request, and for the costs of enforcing the lien. The innkeeper's lien right is in addition to the innkeeper's right to recover payment from the guest under other legal or equitable theories or causes of action. However, possession of the valuables, baggage or other property subject to the lien may be taken, and the lien enforced, only in the manner provided in subdivisions 2 and 3.

Subd. 2. **Possession prior to final judgment.** The lien created in subdivision 1 may be enforced only after final judgment in an action brought to recover the charges and moneys. During the pendency of the proceeding, the plaintiff may take possession of the valuables, baggage or other property upon an order issued by the court, if it appears to the court from an affidavit filed by or on behalf of the plaintiff that the valuables, baggage or other property is about to be destroyed, substantially devalued or removed from the premises. Ten days' written notice of the hearing on the motion for the order shall be served on the defendant and shall inform the defendant that affidavits may be filed and testimony presented on behalf of the defendant, and that if the defendant fails to appear the plaintiff will apply to the court for the order. The plaintiff shall

file a bond approved by the court conditioned for the return of the property to the defendant, if a return be adjudged, and for the payment to defendant of any sum adjudged against the plaintiff. The bond shall be in the amount fixed by the court. Upon an order issued by the court, the plaintiff shall have the right to take possession of the valuables, baggage or other property pending final judgment in the plaintiff's action to recover charges or moneys owed.

Subd. 3. **Final judgment; sale.** If final judgment is entered by the court for the defendant on the merits of the action, the plaintiff shall return possession of the valuables, baggage or other property to the defendant and pay to the defendant costs incurred by the defendant in defending against the plaintiff's claim. If final judgment is entered by the court in favor of the plaintiff, and if the judgment is not satisfied within 30 days, the valuables, baggage or other property subject to the innkeeper's lien may be sold at public auction to satisfy the lien, the costs of the action to enforce the lien, and the costs of sale. The sale shall be made by a sheriff upon the notice and in the manner provided for in sections 550.18 to 550.20.
