Subd. 7. **Registrant list.** The commissioner must maintain a list of registered debt management services providers. The list must be made available to the public in written form upon request and on the Department of Commerce website.

The commissioner may, in the notice, suspend the registration for a period not to exceed 60 days. Unless the notice states that the registration is suspended, pending the determination of the main issue, the registrant may continue to transact business until the final decision of the commissioner. If the registration is suspended, the commissioner shall hold a hearing and render a final determination within ten days of a request by the registrant. If the commissioner fails to do so, the suspension shall terminate and be of no force or effect.

Subd. 2. **Notification of interested persons.** After the notice and hearing required in subdivision 1, upon issuing an order suspending or revoking a registration or refusing to renew a registration, the commissioner may notify all individuals who have contracts with the affected registrant and all creditors

who have agreed to a debt management services plan that the registration has been revoked and that the order is subject to appeal.

332A.12 BOOKS, RECORDS, AND INFORMATION.

Subdivision 1. **Records retention.** Every registrant must keep, and use in the registrant's business, such books, accounts, and records, including electronic records, as will enable the commissioner to determine whether the registrant is complying with this chapter and of the rules, orders, and directives adopted by the commissioner under this chapter. Every registrant must preserve such books, accounts, and records for at least six years after making the final entry on any transaction recorded therein. Examinations of the books,

records, and method of operations conducted under the supervision of the commissioner shall be done at the cost of the registrant. The cost must be assessed as determined under section 46.131.

Subd. 1a. **Annual report.** On or before March 15 of each calendar year, each registrant must file a report with the commissioner containing such information as the commissioner may require about the preceding calendar year. The report must be in a form the commissioner prescribes.

Subd. 2. **Statements to debtors.** Each registrant must maintain and must make available records and accounts that will enable each debtor to ascertain the amounts paid to the creditors of the debtor. A statement showing amounts received from the debtor, disbursements to each creditor, amounts which any creditor has agreed to accept as payment in full for any debt owed the creditor by the debtor, charges deducted by the registrant, and such other information as the commissioner may prescribe, must be furnished by the registrant to the debtor at least monthly and, in addition, upon any cancellation or termination of the contract. In addition to the statements required by this subdivision, each debtor must have reasonable access, without cost, by electronic or other means, to information in the registrant's files applicable to the debtor. These statements, records, and accounts must otherwise remain confidential except for duly authorized state and government officials, the commissioner, the attorney general, the debtor, and the debtor's representative and designees. Each registrant must prepare and retain in the file of each debtor a written analysis of the debtor's income and expenses to substantiate that the plan of payment is feasible and practicable.

332A.13 FEES, PAYMENTS, AND CONSENT OF CREDITORS.

Subdivision 1. **Origination fee.** The registrant may charge a nonrefundable origination fee of not more than \$50, which may be retained by the registrant from the initial amount paid by the debtor to the registrant.

Subd. 2. **Monthly maintenance fee.** The registrant may charge a periodic fee for account maintenance or other purposes, but only if the fee is reasonable for the services provided and does not exceed the lesser of 15 percent of the monthly payment amount or \$75.

Subd. 3. **Additional fees unauthorized.** A registrant may not impose any fee or other charge or receive any funds or other payment other than the initial fee or monthly maintenance fee authorized by this section.

Subd. 4. **Amount of periodic payments retained.** The registrant may retain as payment for the fees authorized by this section no more than 15 percent of any periodic payment made to the registrant by the debtor. The remaining 85 percent must be disbursed to listed creditors under and in accordance with the debt management services agreement. No fees or charges may be received or retained by the registrant for any handling of recurring payments. Recurring payments include current rent, mortgage, utility, telephone, maintenance as defined in section 518.27, child support, insurance premiums, and such other payments as the commissioner may by rule prescribe.

Subd. 5. **Advance payments.** No fees or charges may be received or retained for any payments by the debtor made more than the following number of days in advance of the date specified in the debt management services agreement on which they are due: (1) 42 days in the case of contracts requiring monthly payments; (2) 15 days in the case of agreements requiring biweekly payments; or (3) seven days in the case of agreements requiring weekly payments. For those agreements which do not require payments in specified amounts, a payment is deemed an advance payment to the extent it exceeds twice the average regular payment previously made by the debtor under that contract. This subdivision does not apply when the debtor intends to use the advance payments to satisfy future payment of obligations due within 30 days under the contract. This subdivision supersedes any inconsistent provision of this chapter.

Subd. 6. **Consent of creditors.** A registrant must actively seek to obtain the consent of all creditors to the debt management services plan set forth in the debt management services agreement. Consent by a creditor may be express and in writing, or may be evidenced by acceptance of a payment made under the debt management services plan set forth in the contract. The registrant must notify the debtor within ten days after any failure to obtain the required consent and of the debtor's right to cancel without penalty. The notice must be in a form as the commissioner shall prescribe. Nothing contained in this section is deemed to require the return of any origination fee and any fees earned by the registrant prior to cancellation or default.

Subd. 7. **Withdrawal of creditor.** Whenever a creditor withdraws from a debt management services plan, or refuses to participate in a debt management services plan, the registrant must promptly notify the debtor of the withdrawal or refusal. In no case may this notice be provided more than 15 days after the debt management services provider learns of the creditor's decision to withdraw from or refuse to participate in a plan. This notice must include the identity of the creditor withdrawing from the plan, the amount of the monthly payment to that creditor, and the right of the debtor to cancel the agreement under section 332A.11.

Subd. 8. **Payments held in trust.** The registrant must maintain a separate trust account and deposit in the account all payments received from the moment that the funds are available, except that the registrant may commingle the payment with the registrant's own property or funds, but only to the extent necessary to ensure the maintenance of a minimum balance if the financial institution at which the trust account is held requires a minimum balance to avoid the assessment of fees or penalties for failure to maintain a minimum balance. All disbursements, whether to the debtor or to the creditors of the debtor, or to the registrant, must be made from such account, except that disbursements may be made from a trust account to an account established solely for the purpose of making disbursements to debtors and creditors.

Subd. 9. **Timely payment of creditors.** The registrant must disburse any funds paid by or on behalf of a debtor to creditors of the consumer within 42 days after receipt of the funds, or earlier if necessary to comply with the due date in the agreement between the debtor and the creditor, unless the reasonable payment of one or more of the debtor's obligations requires that the funds be held for a longer period so as to accumulate a sum certain, or where the debtor's payment is returned for insufficient funds or other reason that makes the withholding of such payments in the net interest of the debtor.
