(a) **Applicability of section to controllable account and controllable payment intangible.** This section applies to the acquisition and purchase of rights in a controllable account or controllable payment intangible, including the rights and benefits under subsections (c), (d), (e), (g), and (h) of a purchaser and qualifying purchaser, in the same manner this section applies to a controllable electronic record.

(b) **Control of controllable account and controllable payment intangible.** To determine whether a purchaser of a controllable account or a controllable payment intangible is a qualifying purchaser, the purchaser obtains control of the account or payment intangible if it obtains control of the controllable electronic record that evidences the account or payment intangible.

(c) **Applicability of other law to acquisition of rights.** Except as provided in this section, law other than this article determines whether a person acquires a right in a controllable electronic record and the right the person acquires.

(d) **Shelter principle and purchase of limited interest.** A purchaser of a controllable electronic record acquires all rights in the controllable electronic record that the transferor had or had power to transfer, except that a purchaser of a limited interest in a controllable electronic record acquires rights only to the extent of the interest purchased.

(e) **Rights of qualifying purchaser.** A qualifying purchaser acquires its rights in the controllable electronic record free of a claim of a property right in the controllable electronic record.

(f) **Limitation of rights of qualifying purchaser in other property.** Except as provided in subsections (a) and (e) for a controllable account and a controllable payment intangible or law other than this article, a qualifying purchaser takes a right to payment, right to performance, or other interest in property evidenced by the controllable electronic record subject to a claim of a property right in the right to payment, right to performance, or other interest in property.

(g) **No-action protection for qualifying purchaser.** An action may not be asserted against a qualifying purchaser based on both a purchase by the qualifying purchaser of a controllable electronic record and a claim of a property right in another controllable electronic record, whether the action is framed in conversion, replevin, constructive trust, equitable lien, or other theory.

(h) **Filing not notice.** Filing of a financing statement under article 9 is not notice of a claim of a property right in a controllable electronic record.
