CHAPTER 419

POLICE CIVIL SERVICE COMMISSIONS

419.01 ESTABLISHMENT.

There may be created in every city, except a city of the first class, a police civil service commission with powers and duties as provided in sections 419.01 to 419.18. Any such city which may wish to avail itself of the provisions thereof shall do so by an ordinance expressly accepting the provisions thereof. The ordinance shall be adopted in the same manner as other nonemergency ordinances, but at least 30 days shall elapse between its introduction and final passage by the governing body. Sections 419.01 to 419.18 do not apply to any city until the adoption of such ordinance.

History: (1933-48) 1929 c 299 s 1; 1933 c 197 s 1; 1935 c 34 s 1; 1959 c 694 s 1; 1973 c 123 art 5 s 7

419.02 MEMBERSHIP; JOINT POLICE AND FIRE COMMISSION.

Subdivision 1. Number, qualifications, limits. This commission shall consist of three members who are citizens of the state and residents of such city, and shall be appointed by the council of the city, and when first created one commissioner shall be appointed for the term of one year, who shall be president of the commission, one for the term of two years, and one for the term of three years, and all commissioners shall hold their office until their successors are appointed and qualified. No commissioner shall, at the time of appointment or while serving, hold any elected office under the city, the United States, the state of Minnesota, or any public corporation or political division thereof, or employment under the city, or employment under a police department of any city, other than as a member of a civil service commission for firefighters or other municipal personnel. Each commissioner, before entering upon duties, shall subscribe and file with the city clerk an oath for the faithful discharge of the duties. There shall be appointed each year thereafter by the city council one member of the commission whose term of office shall be for three years, and each member of the commission shall be president of the commission during the last year of the member's term.

Subd. 2. Transition to joint commission. In any city establishing or having a firefighters' civil service commission, the city council may, in the ordinance establishing the police or firefighters' civil service commission or in a later ordinance adopted in the same manner, provide that a single commission shall serve as both police and firefighters' civil service commissions. The joint commission shall consist of three members appointed in the same manner, for the same terms, and with the same qualifications as a police civil service commission under sections 419.01 to 419.18. When existing police and firefighters' civil service commissions are combined, all the members of the two commissions shall become the members of the combined

commission and shall continue to serve as members of the new commission for the remainder of the terms for which they were originally appointed. No successor shall be appointed for the members whose terms are the first, third, and fifth of the six to end, but at the end of every other term, one member shall be appointed for a three-year term, thus reducing the commission membership to five by the end of the first year, four by the end of the second year, and three by the end of the third year.

### 419.03 MEETING.

The commission shall first meet immediately after its appointment and thereafter on the first Monday in February each year at which meetings it shall select from its members a secretary who shall serve until a successor is elected. The commission shall from time to time fix the times of its meetings, and adopt, amend, and alter rules for its procedure.

**History:** (1933-50) 1929 c 299 s 3; 1986 c 444

### 419.04 COMMISSIONERS TO SERVE WITHOUT PAY.

Each commissioner shall serve without pay but the council may allow the secretary such compensation, not exceeding $100 per year, as it shall deem commensurate with the additional service rendered. The council shall pay from the municipal treasury all expenses incurred by the commission in connection with the performance of its duties and furnish it with all supplies, stationery, and equipment it may require, but all bills and accounts shall be audited and approved by the president and secretary of the commission before being paid by the council.

**History:** (1933-51) 1929 c 299 s 4; 1986 c 444

### 419.05 DUTIES OF COMMISSION.

The commission shall have absolute control and supervision over the employment, promotion, discharge, and suspension of all officers and employees of the police department of such city and these powers shall extend to and include all members of the police department. The commission may not, however, prescribe any residency requirements for the positions under its control, unless approved by the city council.

The commission shall, immediately after its appointment and organization, grade and classify all of the employees of the police department of the city and a service register shall be prepared for the purpose, in which shall be entered, in their classes, the names, ages, compensation, period of past employment and such other facts and data with reference to each employee as the commission may deem useful.

The commission shall keep a second register to be known as the application register in which shall be entered the names and addresses, in the order of the date of application, of all applicants for examination and the offices or employments they seek. All applications shall be upon forms prescribed by the commission and contain such data and information as the commission deems necessary and useful.

### 419.06 RULES FOR POLICE DEPARTMENT.

The commission shall adopt rules to promote efficiency in the police department service and to carry out the purposes of this chapter. The rules must provide among other things for:
(1) the classification of all offices and employments in the police department;

(2) public competitive examinations to test the relative fitness of applicants;

(3) public advertisements of all examinations at least ten days in advance in a newspaper of general circulation in the city and posting the advertisement for ten days in the city hall and at each station house;

(4) the creation and maintenance of lists of eligible candidates after successful examination in order of their standing in the examination and without reference to the time of examination, which must be included in an eligible register;

(5) the commission may by rule provide for striking any name from the eligible register after it has been on the register for one year;

(6) the rejection of candidates or eligibles who, after the entry of their names, fail to comply with the reasonable rules and requirements of the commission in respect to age, residence, physical condition, or otherwise, or who have been guilty of criminal, infamous, or disgraceful conduct, or of any willful misrepresentation, deception, or fraud in connection with their applications for employment;

(7) the certification of the three names standing highest on the appropriate list to fill any vacancy;

(8) temporary employment without examination, with the consent in each case of the commission, in cases of emergency, but no such temporary employment may continue more than 30 days nor may successive temporary employments be permitted for the same position; provided, that until 60 days after cessation of hostilities in a war as declared by proper federal authority, whenever there are no names upon the eligible register, temporary appointment may be made for employment to continue until the position is filled by a candidate from the eligible register under the provisions of the rules, provided that persons on the eligible list at the time of induction into the armed forces of the United States must retain their position on the eligible register;

(9) promotion based on competitive examination and upon records of efficiency, character, conduct and seniority;

(10) suspension with or without pay for not longer than 60 days and for leave of absence, with or without pay; and

(11) other rules not inconsistent with the provisions of this chapter as may, from time to time, be found necessary to secure the purposes of this chapter.

When a disparity exists between the make-up of the police department and its approved affirmative action goals, the commission may certify up to two eligible candidates from each protected group for which a disparity exists. This certification is in addition to the three candidates certified under clause (7). This expanded certification may not include a member of a protected group if a member of that group is one of the three candidates certified under clause (7). Certifications under this paragraph must be made from the list of eligible candidates who have successfully completed the examination, in order of their standing in the examination. These expanded certification procedures apply only to positions to be filled from the public and do not apply to promotional appointments.
Copies of such rules must be kept posted in a conspicuous place at each police station house and no rules of general application with reference to employment, promotion, discharge, or suspension are effective until posted.

No newly appointed peace officer after satisfactory completion of the basic peace officers training course pursuant to sections 626.843 to 626.852 and after a period of no longer than 12 months continuous employment thereafter, shall be removed or discharged except for cause upon written charges and after an opportunity to be heard in defense of the charges as in this chapter hereinafter provided. Such charges shall be investigated by or before such civil service commission. The finding and decision of such commission shall be forthwith certified to the chief or other appointed or superior officer, and will be forthwith enforced by such officer. Nothing in this chapter shall limit the power of any officer to suspend a subordinate for a reasonable period not exceeding 60 days for the purpose of discipline, or pending investigation of charges when the officer deems such suspension advisable. The commission, in any city of the second class situate in two or more counties, may, by resolution adopted by unanimous vote, incorporate in the civil service rules a rule fixing the term of the office of chief of the department at six years from the date of appointment and thereafter the office of chief shall be open to competitive examination for all members of the department qualified to take such examinations. In the event of a new appointment being made to the office of chief as a result of competitive examination, the retiring chief shall be assigned a grade and class in the department as may be determined by the commission. Provided that the limitation of the term of chief as herein provided for shall not affect any person permanently holding the office of chief at the time of the passage of Laws 1947, Chapter 522; provided further that the provisions of this section shall not apply to persons referred to in Minnesota Statutes 1969, Section 299D.03.

Subd. 4. Addition of names. If the notice under subdivision 1, paragraph (b), is given at the time of initial examination, additional examinations may be administered to applicants meeting threshold requirements without an additional publication or ten-day notice. The commission shall require by subpoena the attendance of any witness requested by the accused who can be found in the county in which such city is located. The commission may make complaint to the district court of disobedience of its subpoenas or orders under this section, and the court shall prescribe notice to the person accused and require the accused person to obey the commission's
subpoena and order, if found within the lawful powers of the commission, and punish disobedience as a contempt of court. Witnesses shall be entitled to the same fees and mileage as for attendance upon the district court, except that any officer, agent, or employee of the city who receives compensation for services, shall not be entitled to fees or mileage.
