446A.076 ESTIMATED FUNDING NEEDS.

By February 1 each year, the Public Facilities Authority must submit to the legislative committees with jurisdiction over capital investment and environment and natural resources finance an estimate of the amount necessary to fund grants under sections 446A.072 and 446A.073. The report shall show for each community included in the estimate:

(1) the average annual residential wastewater treatment rates for the community if the community does not receive any grant funding under sections 446A.072 and 446A.073;

(2) the average annual residential wastewater treatment rates for the community if the community receives the maximum amount that the community is qualified for under sections 446A.072 and 446A.073; and

(3) a comparison of the rates in clause (2) with three times the annual Twin Cities metropolitan area weighted average retail charge per household as determined in the most recent Survey of Municipal Residential Wastewater Rates prepared by Metropolitan Council Environmental Services.
