Subd. 2. Limitation; origination period. During the first ten months of an origination period, a city may make loans financed with proceeds of mortgage bonds for the purchase of existing housing. Loans financed with the proceeds of mortgage bonds for new housing in the metropolitan area may be made during the first ten months of an origination period only if at least one of the following conditions is met:

(1) the new housing is located in a redevelopment area;

(2) the new housing is replacing a structurally substandard structure or structures;

(3) the new housing is located on a parcel purchased by the city or conveyed to the city under section 282.01, subdivision 1;

(4) the new housing is part of a housing affordability initiative, other than those financed with the proceeds from the sale of bonds, in which federal, state, or local assistance is used to substantially improve the terms of the financing or to substantially write down the purchase price of the new housing; or

(5) the new housing is located in a city that has entered into a housing affordability agreement with the Metropolitan Council.

Upon expiration of the first ten-month period, a city may make loans financed with the proceeds of mortgage bonds for the purchase of new and existing housing.

Subd. 3. **Nonmetropolitan area.** Cities shall initiate steps in the nonmetropolitan areas of the state similar to those required for the metropolitan area under subdivision 2 to encourage loans for existing housing or for new housing under the conditions specified in subdivision 2.

Subd. 4. **Redevelopment area.** A city located within the metropolitan area must submit to the Metropolitan Council the resolution adopted by the governing body of the city finding an area to be a redevelopment area and a map of the redevelopment area.

Subd. 5. **Limitation; commitments and loans to builders and developers.** A city may not make available, provide set-asides, or commit to make available proceeds of mortgage bonds for the exclusive use of builders or developers for loans to eligible purchasers for new housing except for new housing described in subdivision 2, clauses (1) to (3). This prohibition is in effect for the total origination period.

Subd. 6. **Reporting requirement.** A city that provides loans for new housing financed with the proceeds of mortgage bonds shall report to the chairs of the appropriate housing-related standing committees or divisions of the state senate and house of representatives by January 1 of each year detailing new housing activity financed with the proceeds of mortgage bonds, including a description of affordable housing initiatives, the number of loans, the average purchase price, average borrower income, and steps taken to encourage loan activity as required in subdivision 3.
