507.01 CONVEYANCE AND PURCHASER.

The word "purchaser," as used in this chapter, embraces every person to whom any estate or interest in real estate is conveyed for a valuable consideration and every assignee of a mortgage, lease, or other conditional estate. The word "conveyance," as so used, includes every instrument in writing whereby any interest in real estate is created, aliened, mortgaged, or assigned or by which the title thereto may be affected in law or in equity, except wills, leases for a term not exceeding three years, and powers of attorney.

History: (8195) *RL s 3334*

507.02 CONVEYANCES BY SPOUSES; POWERS OF ATTORNEY.

If the owner is married, no conveyance of the homestead, except a mortgage for purchase money under section 507.03, a conveyance between spouses pursuant to section 500.19, subdivision 4, or a severance of a joint tenancy pursuant to section 500.19, subdivision 5, shall be valid without the signatures of both spouses. A spouse's signature may be made by the spouse's duly appointed attorney-in-fact.

Spouses who are married to each other may convey the real estate of either by their joint deed. A spouse, by separate deed, may convey any real estate owned by that spouse, except the homestead, subject to the rights of the other spouse therein; and either spouse may, by separate conveyance, relinquish all rights in the real estate so conveyed by the other spouse. Subject to the foregoing provisions, either spouse may separately appoint an attorney-in-fact to sell or convey any real estate owned by that spouse, or join in any conveyance made by or for the other spouse. Use of a power of attorney is subject to section 518.58, subdivision 1a. A minor spouse has legal capacity to join in a conveyance of real estate owned by the other spouse, so long as the minor spouse is not incapacitated because of some reason other than that spouse's minor age.

507.021 CONVEYANCES RECORDED 15 YEARS VALIDATED.

When a deed, assignment, or other instrument affecting the title to real estate shall have been filed or recorded in the office of the county recorder of any county, or in any public office authorized to receive such instrument for filing or recording, and shall have continued on record for 15 years and such instrument does not affirmatively show whether the grantor or assignor or person who executed the instrument was married such filing or recording and continuance thereof for such 15-year period shall be prima facie evidence that such grantor or assignor or person who executed the instrument was an unmarried person at the time of the making and delivery of such instrument, unless prior to January 1, 1924, any person claiming any estate in the land affected by such instrument, by, through or under such person or the person's spouse, heirs or devisees, shall commence an action to recover such estate and shall file a notice of lis pendens at the time

of the commencement of the action in the office of the county recorder in the county where such land is situated.

507.03 PURCHASE-MONEY MORTGAGE; NONJOINER OF SPOUSE.

When a married individual purchases real property during marriage and mortgages the real property to secure the payment of the purchase price or any portion of it, the other spouse shall not be entitled to any inchoate, contingent, or marital property right or interest in the real property as against the mortgagee or those claiming under the mortgagee even though the other spouse did not join in the mortgage. A statement in the mortgage to the effect that the mortgage is a purchase money mortgage constitutes prima facie evidence of that fact.

If any portion of the money secured by the mortgage is used for the payment of the purchase price of the real property or any portion of it, the entire mortgage debt shall be deemed purchase money within the meaning of this section, except that any money used to pay off the balance owing under a contract for deed under which the purchaser has the right to possession of the property shall not be deemed purchase money under this section.

This section applies to every purchase-money mortgage regardless of when it was granted or created, except that this section does not affect an action or proceeding involving the validity or enforceability of a purchase money mortgage if:

(1) the action or proceeding is pending as of August 1, 2004, or is commenced before August 1, 2005; and

(2) a notice of the pendency of the action or proceeding is recorded or filed before August 1, 2005, in the office of the county recorder or registrar of titles of the county to which the property affected by the action or proceeding is located.

507.04 CONVEYANCE OF PROTECTED PERSON'S REAL PROPERTY.

Subdivision 1. **No conveyance except by court approval.** Except as otherwise provided by this section, if a protected person's right to convey an interest in real property is restricted under sections 524.5-401 to 524.5-433, no conveyance of the interest is effective unless ordered by the court pursuant to section 524.5-418. A conveyance of an interest in real property owned by the spouse of a protected person remains subject to the marital rights of the protected person unless the protected person's conservator joins in the conveyance on behalf of the protected person pursuant to a court order under section 524.5-418. This section does not revive marital rights in real property extinguished as part of a property agreement or settlement between the spouses approved by a court of competent jurisdiction, including but not limited to a valid prenuptial or postnuptial agreement, a legal separation, or any other court approved division of assets between the spouses.

Subd. 4. MS 2002 [Repealed by amendment, 2003 c 12 art 2 s 5]

Subd. 5. **Inchoate interest in real property of protected person's spouse.** In all cases where the court under section 524.5-418 has ordered a conveyance of the interest in real property owned by a protected

person or has ordered a protected person's joinder in the conveyance of an interest in real property owned by the protected person's spouse, the conveyance includes the inchoate interest of the protected person in any share or part of the real property owned by the protected person's spouse whether or not specifically mentioned in the proceedings or conveyance.

Subd. 6. **Validity of homestead conveyance.** No conveyance of the homestead is valid unless each spouse or the duly authorized legal representative of each spouse joins in the conveyance by joint deed or by separate deeds.

507.061 WORDS OF INHERITANCE NOT NEEDED.

507.071 TRANSFER ON DEATH DEEDS.

Subdivision 1. **Definitions.** For the purposes of this section the following terms have the meanings given:

(a) "Beneficiary" or "grantee beneficiary" means a person or entity named as a grantee beneficiary in a transfer on death deed, including a successor grantee beneficiary.

(b) "County agency" means the county department or office designated to recover medical assistance benefits from the estates of decedents.

(c) "Grantor owner" means an owner, whether individually, as a joint tenant, or as a tenant in common, named as a grantor in a transfer on death deed upon whose death the conveyance or transfer of the described real property is conditioned. Grantor owner does not include a spouse who joins in a transfer on death deed solely for the purpose of conveying or releasing statutory or other marital interests in the real property to be conveyed or transferred by the transfer on death deed.

(d) "Owner" means a person having an ownership or other interest in all or part of the real property to be conveyed or transferred by a transfer on death deed either at the time the deed is executed or at the time the transfer becomes effective. Owner does not include a spouse who joins in a transfer on death deed solely for the purpose of conveying or releasing statutory or other marital interests in the real property to be conveyed or transferred by the transfer on death deed.

(e) "Property" and "interest in real property" mean any interest in real property located in this state which is transferable on the death of the owner and includes, without limitation, an interest in real property defined in chapter 500, a mortgage, a deed of trust, a security interest in, or a security pledge of, an interest in real property, including the rights to payments of the indebtedness secured by the security instrument, a judgment, a tax lien, both the seller's and purchaser's interest in a contract for deed, land contract, purchase agreement, or earnest money contract for the sale and purchase of real property, including the rights to payments under such contracts, or any other lien on, or interest in, real property.

(f) "Recorded" means recorded in the office of the county recorder or registrar of titles, as appropriate for the real property described in the instrument to be recorded.

(g) "State agency" means the Department of Human Services or any successor agency or Direct Care and Treatment or any successor agency.

(h) "Transfer on death deed" means a deed authorized under this section.

Subd. 2. Effect of transfer on death deed. A deed that conveys or assigns an interest in real property, to a grantee beneficiary and that expressly states that the deed is only effective on the death of one or more of the grantor owners, transfers the interest to the grantee beneficiary upon the death of the grantor owner upon whose death the conveyance or transfer is stated to be effective, but subject to the survivorship provisions and requirements of section 524.2-702. Until a transfer on death deed becomes effective, it has no effect on title to the real property described in the deed, but it does create an insurable interest in the real property in favor of the designated grantee beneficiary or beneficiaries for purposes of insuring the real property against loss or damage that occurs on or after the transfer on death deed becomes effective. A transfer on death deed must comply with all provisions of Minnesota law applicable to deeds of real property including, but not limited to, the provisions of sections 507.02, 507.24, 507.34, 508.48, and 508A.48. If a spouse who is neither a grantor owner nor an owner joins in the execution of, or consents in writing to, the transfer on death deed, such joinder or consent shall be conclusive proof that upon the transfer becoming effective, the spouse no longer has or can claim any statutory interest or other marital interest in the interest in real property transferred by the transfer on death deed. However, such transfer shall remain an interest as identified in section 256B.15 for purposes of complying with and satisfying any claim or lien as authorized by subdivision 3.

Subd. 3. Rights of creditors and rights of state and county under sections 246.53, 256B.15, 256D.16, 261.04, and 514.981. The interest transferred to a beneficiary under a transfer on death deed after the death of a grantor owner is transferred subject to all effective conveyances, assignments, contracts, mortgages, deeds of trust, liens, security pledges, judgments, tax liens, and any other matters or encumbrances to which the interest was subject on the date of death of the grantor owner, upon whose death the transfer becomes effective including, but not limited to, any claim by a surviving spouse who did not join in the execution of, or consent in writing to, the transfer on death deed, and any claim or lien by the state or county agency authorized by sections 246.53, 256B.15, 256D.16, 261.04, and 514.981, if other assets of the deceased grantor's estate are insufficient to pay the amount of any such claim. A beneficiary to whom the interest is transferred after the death of a grantor owner shall be liable to account to the state or county agency with a claim or lien authorized by section 246.53, 256B.15, 256D.16, 261.04, or 514.981, to the extent necessary to discharge any such claim remaining unpaid after application of the assets of the deceased grantor owner's estate, but such liability shall be limited to the value of the interest transferred to the beneficiary. To establish compliance with this subdivision and subdivision 23, the beneficiary must record a clearance certificate issued in accordance with subdivision 23 in each county in which the real property described in the transfer on death deed is located.

Subd. 4. Multiple grantee beneficiaries. A transfer on death deed may designate multiple grantee beneficiaries to take title as joint tenants, as tenants in common or in any other form of ownership or tenancy that is valid under the laws of this state. If a grantee joint tenant dies before the grantor owner upon whose death the transfer occurs and no successor beneficiary for the deceased grantee is designated in the transfer on death deed, the surviving joint tenants are the successors and no interest lapses.

Subd. 5. Successor grantee beneficiaries. A transfer on death deed may designate one or more successor grantee beneficiaries or a class of successor grantee beneficiaries, or both. If the transfer on death deed

designates successor grantee beneficiaries or a class of successor grantee beneficiaries, the deed shall state the condition under which the interest of the successor grantee beneficiaries would vest.

Subd. 6. Multiple joint tenant grantors. If an interest in real property is owned as joint tenants, a transfer on death deed executed by all of the owners and, if required by section 507.02, their respective spouses, if any, that conveys an interest in real property to one or more grantee beneficiaries transfers the interest to the grantee beneficiary or beneficiaries effective only after the death of the last surviving grantor owner. If the last surviving joint tenant owner did not execute the transfer on death deed, the deed is ineffective to transfer any interest and the deed is void. An estate in joint tenancy is not severed or affected by the subsequent execution of a transfer on death deed and the right of a surviving joint tenant owner who did not execute the transfer on death deed shall prevail over a grantee beneficiary named in a transfer on death deed unless the deed specifically states that it severs the joint tenancy ownership.

Subd. 7. Execution by attorney-in-fact. A transfer on death deed may be executed by a duly appointed attorney-in-fact pursuant to a power of attorney which grants the attorney-in-fact the authority to execute deeds.

Subd. 8. Recording requirements and authorization. A transfer on death deed is valid if the deed is recorded in a county in which at least a part of the real property described in the deed is located and is recorded before the death of the grantor owner upon whose death the conveyance or transfer is effective. Notwithstanding the definition of recorded under subdivision 1, if the real property is registered property, a transfer on death deed that was recorded incorrectly or incompletely is valid if the deed was recorded before the death of the grantor owner in the office of the county recorder or the registrar of titles in a county in which at least part of the real property is located, and is memorialized on the certificate of title after death. A transfer on death deed is not effective for purposes of section 507.34, 508.47, or 508A.47 until the deed is properly recorded in the county in which the real property is located. When a transfer on death deed is presented for recording, no certification by the county auditor as to transfer of ownership and current and delinquent taxes shall be required or made and the transfer on death deed shall not be required to be accompanied by a certificate of real estate value. A transfer on death deed that otherwise satisfies all statutory requirements for recording may be recorded and shall be accepted for recording in the county in which the property described in the deed is located. If any part of the property described in the transfer on death deed is registered property, the registrar of titles shall accept the transfer on death deed for recording only if at least one of the grantors who executes the transfer on death deed appears of record to have an ownership interest or other interest in the real property described in the deed. No certification or approval of a transfer on death deed shall be required of the examiner of titles prior to recording of the deed in the office of the registrar of titles.

Subd. 9. Deed to trustee or other entity. A transfer on death deed may transfer an interest in real property to the trustee of an inter vivos trust even if the trust is revocable, to the trustee of a testamentary trust or to any other entity legally qualified to hold title to real property under the laws of this state.

Subd. 10. Revocation or modification of transfer on death deed. (a) A transfer on death deed may be revoked at any time by the grantor owner or, if there is more than one grantor owner, by any of the grantor owners. A revocation revokes the transfer on death deed in its entirety. To be effective, the revocation must be recorded in a county in which at least a part of the real property is located before the death of the grantor owner or owners who execute the revocation. Notwithstanding the definition of recorded under subdivision 1, if the real property is registered property, a revocation that was recorded incorrectly or incompletely is effective if it was recorded before the death of the grantor owner in the office of the county recorder or the registrar of titles in a county in which at least part of the real property is located, and is memorialized on

the certificate of title after death. The revocation is not effective for purposes of section 507.34, 508.47, or 508A.47 until the revocation is properly recorded in a county in which the real property is located.

(b) If a grantor owner conveys to a third party, subsequent to the recording of the transfer on death deed, by means other than a transfer on death deed, all or a part of such grantor owner's interest in the property described in the transfer on death deed, no transfer of the conveyed interest shall occur on such grantor owner's death and the transfer on death deed shall be ineffective as to the conveyed or transferred interests, but the transfer on death deed remains effective with respect to the conveyance or transfer on death of any other interests described in the transfer on death deed owned by the grantor owner at the time of the grantor owner's death.

(c) A transfer on death deed is a "governing instrument" within the meaning of section 524.2-804 and, except as may otherwise be specifically provided for in the transfer on death deed, is subject to the same provisions as to revocation, revival, and nonrevocation set forth in section 524.2-804.

Subd. 11. Antilapse; deceased beneficiary; words of survivorship. (a) Except when a successor grantee beneficiary is designated in the transfer on death deed for the grantee beneficiary who did not survive the grantor owner, if a grantee beneficiary who is a grandparent or lineal descendant of a grandparent of the grantor owner fails to survive the grantor owner, the issue of the deceased grantee beneficiary who survive the grantor owner take in place of the deceased grantee beneficiary. If they are all of the same degree of kinship to the deceased grantee beneficiary, they take equally. If they are of unequal degree, those of more remote degree take by right of representation.

(b) For the purposes of this subdivision, words of survivorship such as, in a conveyance to an individual, "if he or she survives me," or, in a class gift, to "my surviving children," are a sufficient indication of intent to condition the conveyance or transfer upon the beneficiary surviving the grantor owner.

(c) When issue of a deceased grantee beneficiary or members of a class take in place of the named grantee beneficiary pursuant to subdivision 5 or paragraph (a) or (b) or when a beneficiary dies and has no issue under paragraph (a), an affidavit of survivorship stating the names and shares of the beneficiaries or stating that a deceased beneficiary had no issue is not conclusive and a court order made in accordance with Minnesota probate law determining the beneficiaries and shares must also be recorded.

Subd. 12. Lapse. If all beneficiaries and all successor beneficiaries, if any, designated in a transfer on death deed, and also all successor beneficiaries who would take under the antilapse provisions of subdivision 11, fail to survive the grantor owner or the last survivor of the grantor owners if there are multiple grantor owners, if the beneficiary is a trust which has been revoked prior to the grantor owner's death, or if the beneficiary is an entity no longer in existence at the grantor owner's death, no transfer shall occur and the transfer on death deed is void.

Subd. 13. Multiple transfer on death deeds. If a grantor owner executes and records more than one transfer on death deed conveying the same interest in real property or a greater interest in the real property, or conveying part of the property in the earlier transfer on death deed, the transfer on death deed that has the latest acknowledgment date and that is recorded before the death of the grantor owner upon whose death the conveyance or transfer is conditioned is the effective transfer on death deed and all other transfer on death deeds, if any, executed by the grantor owner or the grantor owners are ineffective to transfer any interest and are void, except that if the later transfer on death deed included only part of the land of the earlier deed, the earlier deed is effective for the lands not included in the subsequent deed, absent language to the contrary in the subsequent deed.

Subd. 14. **Nonademption; unpaid proceeds of sale, condemnation, or insurance; sale by conservator or guardian.** If at the time of the death of the grantor owner upon whose death the conveyance or transfer is stated to be effective, the grantor owner did not own a part or all of the real property described in the transfer on death deed, no conveyance or transfer to the beneficiary of the nonowned part of the real property shall occur upon the death of the grantor owner and the transfer on death deed is void as to the nonowned part of the real property, but the beneficiary shall have the same rights to unpaid proceeds of sale, condemnation or insurance, and, if sold by a conservator or guardian of the grantor owner during the grantor owner's lifetime, the same rights to a general pecuniary devise, as that of a specific devisee as set forth in section 524.2-606.

Subd. 15. **Nonexoneration.** Except as otherwise provided in subdivision 3, a conveyance or transfer under a transfer on death deed passes the described property subject to any mortgage or security interest existing at the date of death of the grantor owner, without right of exoneration, regardless of any statutory obligations to pay the grantor owner's debts upon death and regardless of a general directive in the grantor owner's will to pay debts.

Subd. 16. **Disclaimer by beneficiary.** A grantee beneficiary's interest under a transfer on death deed may be disclaimed as provided in sections 524.2-1101 to 524.2-1116, or as otherwise provided by law.

Subd. 17. **Effect on other conveyances.** This section does not prohibit other methods of conveying property that are permitted by law and that have the effect of postponing ownership or enjoyment of an interest in real property until the death of the owner. This section does not invalidate any deed that is not a transfer on death deed and that is otherwise effective to convey title to the interests and estates described in the deed that is not recorded until after the death of the owner.

Subd. 18. **Notice, consent, and delivery not required.** The signature, consent or agreement of, or notice to, a grantee beneficiary under a transfer on death deed, or delivery of the transfer on death deed to the grantee beneficiary, is not required for any purpose during the lifetime of the grantor owner.

Subd. 19. **Nonrevocation by will.** A transfer on death deed that is executed, acknowledged, and recorded in accordance with this section is not revoked by the provisions of a will.

Subd. 20. **Proof of survivorship and clearance from public assistance claims and liens; recording.** An affidavit of identity and survivorship with a certified copy of a record of death as an attachment may be combined with a clearance certificate under this section and the combined documents may be recorded separately or as one document in each county in which the real estate described in the clearance certificate is located. The affidavit must include the name and mailing address of the person to whom future property tax statements should be sent. The affidavit, record of death, and clearance certificate, whether combined or separate, shall be prima facie evidence of the facts stated in each, and the registrar of titles may rely on the statements to transfer title to the property described in the clearance certificate, except in cases where a court order is required pursuant to the provisions of subdivision 11, paragraph (c).

Subd. 21. **After-acquired property.** Except as provided in this subdivision, a transfer on death deed is not effective to transfer any interest in real property acquired by a grantor owner subsequent to the date of signing of a transfer on death deed. A grantor owner may provide by specific language in a transfer on death deed that the transfer on death deed will apply to any interest in the described property acquired by the grantor owner after the signing or recording of the deed.

Subd. 22. **Anticipatory alienation prohibited.** The interest of a grantee beneficiary under a transfer on death deed which has not yet become effective is not subject to alienation; assignment; encumbrance; appointment or anticipation by the beneficiary; garnishment; attachment; execution or bankruptcy proceedings;

claims for alimony, support, or maintenance; payment of other obligations by any person against the beneficiary; or any other transfer, voluntary or involuntary, by or from any beneficiary.

Subd. 23. Clearance for public assistance claims and liens. Any person claiming an interest in real property conveyed or transferred by a transfer on death deed, or the person's attorney or other agent, may apply to the county agency in the county in which the real property is located for a clearance certificate for the real property described in the transfer on death deed. The application for a clearance certificate and the clearance certificate must contain the legal description of each parcel of property covered by the clearance certificate. The county agency shall provide a sufficient number of clearance certificates to allow a clearance certificate to be recorded in each county in which the real property described in the transfer on death deed is located. The real property described in the clearance certificate is bound by any conditions or other requirements imposed by the county agency as specified in the clearance certificate. If the real property is registered property, a new certificate of title must not be issued until the clearance certificate is recorded. If the clearance certificate shows the continuation of a medical assistance claim or lien after issuance of the clearance certificate, the real property remains subject to the claim or lien. If the real property is registered property, the clearance certificate must be carried forward as a memorial in any new certificate of title. The application shall contain the same information and shall be submitted, processed, and resolved in the same manner and on the same terms and conditions as provided in section 525.313 for a clearance certificate in a decree of descent proceeding, except that a copy of a notice of hearing does not have to accompany the application. The application may contain a statement that the applicant, after reasonably diligent inquiry, is not aware of the existence of a predeceased spouse or the existence of a claim which could be recovered under section 246.53, 256B.15, 256D.16, 261.04, or 514.981. If the county agency determines that a claim or lien exists under section 246.53, 256B.15, 256D.16, 261.04, or 514.981, the provisions of section 525.313 shall apply to collection, compromise, and settlement of the claim or lien. A person claiming an interest in real property transferred or conveyed by a transfer on death deed may petition or move the district court, as appropriate, in the county in which the real property is located or in the county in which a probate proceeding affecting the estate of the grantor of the transfer on death deed is pending, for an order allowing sale of the real property free and clear of any public assistance claim or lien but subject to disposition of the sale proceeds as provided in section 525.313. On a showing of good cause and subject to such notice as the court may require, the court without hearing may issue an order allowing the sale free and clear of any public assistance claim or lien on such terms and conditions as the court deems advisable to protect the interests of the state or county agency.

Subd. 24. Form of transfer on death deed. A transfer on death deed may be substantially in the following form:

507.072 PROPERTY INSURANCE FOR GRANTEE BENEFICIARIES OF TRANSFER ON DEATH DEEDS.

Subdivision 1. **Definitions.** (a) For purposes of this section, the following definitions apply unless the context indicates otherwise.

- (b) "Grantee beneficiary" has the meaning given in section 507.071, subdivision 1.
- (c) "Insurance policy" means an insurance policy governed by chapter 65A.
- (d) "Transfer on death deed" means a deed described in section 507.071.
- (e) "Grantor owner" has the meaning given in section 507.071, subdivision 1.

(f) "Extended coverage" or "temporary extended coverage" means insurance coverage continuing beyond the death of the named insured.

Subd. 2. **Insurance policy to include grantee beneficiary.** An insurer providing an insurance policy on real property transferred by a transfer on death deed shall provide temporary extended coverage on the real property to the designated grantee beneficiary for a period commencing on the date of death of the grantor owner and ending when the grantee beneficiary replaces the insurance policy on the insured property with an insurance policy or the expiration of the time limitations set forth in subdivision 4, whichever is sooner.

Subd. 3. **Notice to the insurer.** To obtain temporary extended coverage for a transfer on death deed as provided in this section, the grantor owner must notify the insurer of the existence of a transfer on death deed. The notice shall include the names and contact information of all designated grantee beneficiaries.

Subd. 4. **Coverage extended.** The coverage to be extended under this section applies only with respect to the insurance policy insuring the real property of the grantor owner. The period of extended coverage shall not exceed 30 days from the date of the grantor owner's death or the expiration date of the insurance policy, whichever is less. An insurer is not required to provide notice to the grantee beneficiary for cancellation of coverage following the shorter of the 30 days or expiration date of the policy or the placement of replacement insurance coverage.

Subd. 5. **Proof demanded; policy conditions.** Before making any payment for a claim under this section, the insurer may require proof that the claimant is a grantee beneficiary under a transfer on death deed, the transfer on death deed was recorded as provided in section 507.071, and that an affidavit of survivorship and death certificate of the grantor owner was recorded as provided in section 507.071. The grantee beneficiary shall comply with the conditions of the policy.

Subd. 6. **Insurable interest.** A grantee beneficiary does not hold an insurable interest in the real property described in a transfer on death deed prior to the death of the grantor owner. Any claim on the insured real property described in a transfer on death deed initiated before the death of the grantor owner or the death benefits associated with the policy prior to the death of the grantor owner shall be settled with the estate of the grantor owner, not with the grantee beneficiary. A grantee beneficiary is not entitled to recover benefits under an insurance policy extended as provided in this section in an amount greater than the grantee beneficiary's insurable interest at the time of loss or damage. A grantee beneficiary is not entitled to any amounts paid out in prior claims on the property. If the transfer on death deed designates multiple grantee beneficiaries, nothing in this section requires the insurer to pay an amount for loss or damage to the insured real property that exceeds the amount that would be owed to the grantor owner if the grantor owner was living at the time of loss or damage.

Subd. 7. **Warnings on transfer on death deeds.** On or after August 1, 2024, a transfer on death deed shall contain the following warnings in substantially the following form:

"Warning to Grantor Owner: Temporary extended coverage of any fire and casualty insurance policy on the property under Minnesota Statutes, chapter 65A, will exist only if the grantor owner has given notice to the insurer under Minnesota Statutes, section 507.072, subdivision 3, including the existence of a transfer on death deed and the names and contact information of all designated grantee beneficiaries. Any temporary extended coverage terminates on the earlier of (1) 30 days after the date of the grantor owner's death, (2) the expiration date of the policy, or (3) upon placement of a replacement insurance policy.

Warning to Grantee Beneficiary: A grantee beneficiary shall not presume insurance coverage continues after the death of the grantor owner. Upon the death of the grantor owner, the grantee beneficiary should

determine whether the provisions of Minnesota Statutes, section 507.072, apply and consult with an insurance agent or attorney."

The failure to include warnings in a transfer on death deed in accordance with this subdivision shall not invalidate the transfer on death deed or affect recording of the transfer on death deed.

to pay all costs and expenses of such foreclosure sale, including maximum statutory attorney's fees, which costs, expenses, and fees the mortgagor agrees to pay."

Subd. 6. **Obligations are benefits to whom?** All the obligations of the mortgagor as set forth in this section shall be construed as applying to the mortgagor's heirs, executors, and administrators or successors; and all the rights and powers of the mortgagee shall inure to the benefit of and may be exercised by the mortgagee's executors, administrators, successors, or assigns.

507.235 FILING CONTRACTS FOR DEED.

Subdivision 1. **Filing required.** All contracts for deed executed on or after January 1, 1984, shall be recorded by the vendee within four months in the office of the county recorder or registrar of titles in the county in which the land is located. Any other person may record the contract. This filing period may be

extended if failure to pay the property tax due in the current year on a parcel as required in section 272.121 has prevented filing and recording of the contract. In the case of a parcel that was divided and classified under section 273.13 as class 1a or 1b, the period may be extended to October 31 of the year in which the sale occurred, and in the case of a parcel that was divided and classified under section 273.13 as class 2a, the period may be extended to November 30 of the year in which the sale occurred.

A person receiving an assignment of a vendee's interest in a contract for deed that is transferred on or after January 1, 1989, shall record the assignment within four months of the date of transfer in the office of the county recorder or registrar of titles in the county in which the land is located. For the purpose of this section, "assignment" means an assignment or other transfer of all or part of a vendee's interest in a contract for deed. Any other person may record an assignment.

Subd. 1a. **Requirements of vendor.** (a) A vendor entering into a contract for deed involving residential real property must, contemporaneously with the execution of the contract for deed deliver to the vendee a copy of the contract for deed containing original signatures in recordable form.

(b) Within four months of the execution of the contract for deed, the vendor must:

(1) pay any delinquent taxes necessary for recordation of the contract for deed; and

(2) record the contract for deed in the office of the county recorder or registrar of titles in the county in which the land is located.

(c) The following statement included in a contract for deed for other than residential real property shall constitute prima facie evidence that this subdivision does not apply: "The property is not residential real property."

(d) If the contract for deed is not in recordable form, within four months of the execution of the contract for deed, the vendor must make a good faith effort to correct the defects that rendered the contract unrecordable. A good faith effort includes but is not limited to determining the reason or reasons why the contract was not in recordable form, and revising and, if necessary, having all parties re-execute, the contract to render it in recordable form. The vendee must, in good faith, cooperate with the vendor to the extent that cooperation is necessary to correct the defects.

(e) For purposes of this subdivision:

(1) "contract for deed" means an executory contract for the conveyance of residential real property under which the seller provides financing for the purchase of the residential real property and under which the purchaser does or has a right to go into possession. Contract for deed does not include:

(i) a purchase agreement;

(ii) an earnest money contract;

(iii) an exercised option or a lease, including a lease with an option to purchase; or

(iv) a mortgage, as defined in section 287.01; and

(2) "residential real property" means real property consisting of one to four family dwelling units, one of which is intended to be occupied as the principal place of residence by:

(i) the purchaser;

(ii) if the purchaser is an entity, the natural person who is the majority or controlling owner of the entity;
or

(iii) if the purchaser is a trust, the settlor of the trust.

Residential real property does not include a transaction subject to sections 583.20 to 583.32.

(f) The performance of the obligations by the vendor required under this subdivision satisfies any of the obligations of the original vendee, as required under subdivision 1.

(g) The requirements of this subdivision may not be waived or altered by any provision in a contract for deed. A provision in a contract for deed to the contrary is void and unenforceable.

Subd. 2. Penalty for failure to file. (a) A vendee who fails to record a contract for deed, as required by subdivision 1, is subject to a civil penalty, payable under subdivision 5, equal to two percent of the principal amount of the contract debt, unless the vendee has not received a copy of the contract for deed in recordable form, as required under subdivision 1a. Payments of the penalty shall be deposited in the general fund of the county. The penalty may be enforced as a lien against the vendee's interest in the property.

(b) A person receiving an assignment of a vendee's interest in a contract for deed who fails to record the assignment as required by subdivision 1 is subject to a civil penalty, payable under subdivision 5, equal to two percent of the original principal amount of the contract debt. Payments of the penalty must be deposited in the general fund of the county. The penalty may be enforced as a lien against the vendee's interest in the property.

Subd. 3. Disclosure. (a) Whenever a contract for deed or assignment of a vendee's interest in a contract for deed is not recorded and a city or county attorney requires information concerning the contract for deed or assignment of contract for deed for the performance of the attorney's duties on behalf of the city or county, the city or county attorney may request disclosure under paragraph (b).

(b) A vendor, vendee, or current or former holder of a vendor's or vendee's interest in a contract for deed, a person who collects payments made under a contract for deed, or a person in possession of the property subject to a contract for deed shall, on written request that includes a copy of this section made by the city or county attorney of the city or county in which the property is located, disclose all information known to the person relating to:

- (1) the identity and residence or office mailing address of the parties to the contract for deed; and
- (2) any assignments of the contract for deed.

The disclosure also must include any legible, true and correct copies of each contract for deed and assignment documents in the possession of or reasonably available to the person required to disclose.

The information must be disclosed in writing to the city or county attorney within 14 days of receipt of the written request.

Subd. 4. MS 2012 [Repealed, 2013 c 85 art 6 s 13]

Subd. 5. Civil enforcement. (a) A city in which the land is located or, if the land is not located within a city, the county in which the land is located, may enforce the provisions of this section. The city or county may bring an action to compel the recording of a contract for deed or any assignments of a contract for deed, an action to impose the civil penalty, or an action to compel disclosure of information.

(b) Prior to bringing an action under this subdivision to compel recording or to impose the penalty, the city or county must provide written notice to the person, subject to subdivision 1, of the person's duty to record the contract for deed or the assignment. If the person so notified fails to record the contract for deed or assignment documents within 14 days of receipt of the notice, an action may be brought.

(c) It is an affirmative defense in an enforcement action under this section that the contract for deed or assignment document is not recordable, or that section 272.121 prohibits the recording of the contract for deed or assignment, and that the defendant has provided to the city or county attorney true and correct copies of the documents within 14 days after receipt of the notice.

(d) In an action brought under this subdivision, the city or county attorney may recover costs and disbursements, including reasonable attorney fees.

507.31 RAILROAD LANDS.

Subdivision 1. **Certified lists filed in counties.** Every railroad company to whom lands have been or shall be conveyed by the state to aid in the construction of its road shall prepare, at its own expense, separate lists of such lands lying within the several counties, according to the government surveys, which lists shall be compared by the commissioner of management and budget with the original lists in the commissioner's office received from the Interior Department of the general government; and each list when corrected by the commissioner shall have appended thereto a certificate that the same is a correct and complete list of the lands in the county certified to the state and by it conveyed to such company. In all cases where any railroad company has failed to comply with the provisions of this section, the board of county commissioners of any county in this state is hereby authorized to direct the county recorder of the county to transcribe directly from the original patents or approved lists from the United States government to the state of Minnesota and the record of deeds from the state of Minnesota to the railroad company receiving such lands. 507.327 MORTGAGES, DEEDS OF TRUST AND OTHER INSTRUMENTS OF PUBLIC UTILITIES; FILING AND RECORDING.

Subdivision 1. **Filing with secretary of state.** A mortgage or deed of trust to secure a debt executed by a public utility as defined in section 336B.01 covering the whole or part of its easements or other less than fee simple interests in real estate used in the transmission or distribution of gas, electric, or telephone service, and also covering the fixtures of the public utility which are annexed to it, may be filed in the Office of the Secretary of State along with, or as part of, the financing statement covering the fixtures. The filing of the mortgage or deed of trust has the same effect, and is notice of the rights and interests of the mortgagee or trustee in the easements and other less than fee simple interests in real estate to the same extent, as if the mortgage or deed of trust were duly recorded in the office of the county recorder, or duly registered in the office of the registrar of titles, of the counties in which the real estate is situated. The effectiveness of the filing will terminate at the same time as provided in section 336B.02, subdivision 3, for the termination of the effectiveness of fixture filing.

Subd. 2. **What constitutes a specific description.** For the purposes of this section, a mortgage or deed of trust filed under this section contains a sufficient description to give notice of the rights and interests of the mortgagee or trustee in the easements and other less than fee simple interests in the real estate used for the transmission and distribution of gas, electric, or telephone service of the public utility if the mortgage or deed of trust states that the security includes rights-of-way of or transmission or distribution systems of or lines of the public utility, or all property owned by the public utility.

Subd. 3. **Filing of prior instruments.** A mortgage or deed of trust filed before March 28, 1974, along with, or as part of, the financing statements filed under section 300.112, which complies with the provisions of this section, is filed under this section as of March 28, 1974.

Subd. 4. **Application.** This section does not apply to real estate owned in fee simple by a public utility.

The filing of the mortgage or deed of trust shall have the same effect, and shall be notice of the rights and interests of the mortgagee or trustee in the easements and other less than fee simple interests in real estate to the same extent as if the mortgage or deed of trust were duly recorded in the office of the county recorder, or duly registered in the office of the registrar of titles of the county or counties in which the real estate is situated. The mortgages or deeds of trust may by their terms include after-acquired property, real and personal, and shall be as valid and effectual for that purpose as if the

after-acquired property were owned by, and in possession of, the company giving the mortgage and deed of trust at the time of the execution. Notwithstanding the Uniform Commercial Code the filing and recording of the mortgage and deed of trust in the office of the secretary of state shall be notice of the rights of all parties in the real and personal property and fixtures covered by the filing and will so remain until satisfied or discharged without further affidavit, continuation statement, or proceeding.

Subd. 2. Effect of prior instrument. For the purposes of this section, any mortgage or deed of trust filed under this section shall be deemed to contain a sufficient description to give notice of the rights and interest of the mortgagee or trustee in the easements and other less than fee simple interests in the real estate used for the transmission of oil, gas, petroleum products, or other commodities which may be transported by pipeline if the mortgage and deed of trust states that the security includes rights-of-way, transmission systems, or lines of the pipeline company, or all property owned by the pipeline company.

Subd. 3. Nonapplication. This section shall not apply to any real estate owned by a pipeline company in fee simple.

507.33 CERTAIN RECITALS NOT TO CONSTITUTE NOTICE OF MORTGAGE.

Where an instrument affecting the title to real property in this state recites the existence of a mortgage against the real property, or some part thereof, where the instrument containing such recital either was recorded prior to 1900 in the office of the county recorder of the county where the real property, or some part thereof, is situated, or was filed prior to that date in a judicial proceeding affecting the real property, or some part thereof, in the district court or probate court of such county, and where the time of the maturity of the whole of the debt secured by the mortgage is not clearly stated in the recital, then such recital may be disregarded and shall not constitute notice of the mortgage, either actual or constructive, to any subsequent purchaser or encumbrancer of the real property, or any part thereof.

History: *(8225-1) 1939 c 390 s 1; 1976 c 181 s 2*

507.331 CERTAIN RECITALS DISREGARDED.

Where any instrument affecting the title to real estate in this state recites the existence of a contract for conveyance affecting such real property, or some part thereof, and the instrument containing such recital was recorded prior to 1910 in the office of the county recorder of the county wherein the real property, or some part thereof, is situated, and no action or proceeding has been taken upon such contract for conveyance and the time for performing the conditions contained in such contract expired prior to 1925, then such recital may be disregarded and shall not constitute notice of the contract for conveyance, either actual or constructive, to any subsequent purchaser or encumbrancer of the real property, or any part thereof.

History: *1941 c 192 s 1; 1976 c 181 s 2*

507.332 WHETHER RECORDED RECITAL OF UNRECORDED MORTGAGE IS NOTICE.

Subdivision 1. **No notice.** A recital of the existence of an unrecorded mortgage in an instrument:

- (1) that affects title to real property and
- (2) is recorded with the county recorder of the county where the real property is located,

is not actual or constructive notice to a subsequent purchaser or encumbrancer once five years have passed since the date of the instrument containing the recital, unless the conditions in subdivision 2 are met.

Subd. 2. **Notice.** If, in the circumstances described in subdivision 1, an action to foreclose the unrecorded mortgage was commenced and a notice of pendency or notice of lis pendens was recorded during the five-year period, then, the recital is actual or constructive notice of the unrecorded mortgage to a subsequent purchaser or encumbrancer of the real property.

Subd. 3. **Foreclosure period unaffected.** This section does not limit or extend the period, set out in section 541.03, to bring an action to foreclose a mortgage.

Subd. 4. **If lis pendens before March 1995.** This section does not affect a proceeding to foreclose a mortgage pending on August 1, 1994, or to be commenced in a court of this state if, before March 1, 1995, a notice of lis pendens has been recorded in the office of the county recorder or filed in the office of the registrar of titles.

507.34 UNRECORDED CONVEYANCES VOID IN CERTAIN CASES.

Every conveyance of real estate shall be recorded in the office of the county recorder of the county where such real estate is situated; and every such conveyance not so recorded shall be void as against any subsequent purchaser in good faith and for a valuable consideration of the same real estate, or any part thereof, whose conveyance is first duly recorded, and as against any attachment levied thereon or any judgment lawfully obtained at the suit of any party against the person in whose name the title to such land appears of record prior to the recording of such conveyance. The fact that such first recorded conveyance is in the form, or contains the terms of a deed of quitclaim and release shall not affect the question of good faith of such subsequent purchaser or be of itself notice to the subsequent purchaser of any unrecorded conveyance of the same real estate or any part thereof.

507.401 TITLE INSURANCE COMPANY; MORTGAGE RELEASE CERTIFICATE.

Subdivision 1. **Definitions.** (a) The definitions in this subdivision apply to this section.

(b) "Assignment of rents and profits" means an assignment, whether in a separate document or in a mortgage, of any of the benefits accruing under a recorded or unrecorded lease or tenancy existing, or subsequently created, on property encumbered by a mortgage, which is given as additional security for the debt secured by the mortgage.

(c) "Mortgage" means a mortgage or mortgage lien, including any assignment of rents and profits given as additional security for the debt secured by that lien, on an interest in real property in this state given to secure a loan in the original principal amount of \$1,500,000 or less.

(d) "Mortgagee" means:

(1) the grantee of a mortgage; or

(2) if a mortgage has been assigned of record, the last person to whom the mortgage has been assigned of record.

(e) "Mortgage servicer" means the last person to whom a mortgagor or the mortgagor's successor in interest has been instructed by a mortgagee to send payments on a loan secured by a mortgage. A person transmitting a payoff statement is the mortgage servicer for the mortgage described in the payoff statement.

(f) "Mortgagor" means the grantor of a mortgage.

(g) "Partial release" means the release of specified parcels of land from a mortgage.

(h) "Payoff statement" means a statement of the amount of:

(1) the unpaid balance of a loan secured by a mortgage, including principal, interest, and any other charges properly due under or secured by the mortgage, and interest on a per day basis for the unpaid balance; or

(2) the portion of the unpaid balance of the loan secured by the mortgage required by the mortgagee or mortgage servicer to be paid as a condition for the issuance of a partial release.

(i) "Record" means to record with the county recorder or file with the registrar of titles.

(j) "Title insurer" means a corporation or other business entity authorized and licensed to transact the business of insuring titles to interests in real property in this state under chapter 68A.

Subd. 2. Certificate of release. An officer or duly appointed agent of a title insurer may, on behalf of a mortgagor or a person who acquired from the mortgagor title to all or a part of the property described in a mortgage, execute a certificate of release that complies with the requirements of this section and record the certificate of release in the real property records of each county in which the mortgage is recorded if a satisfaction or release of the mortgage has not been executed and recorded after the date payment in full of the loan secured by the mortgage was sent in accordance with a payoff statement furnished by the mortgagee or the mortgage servicer.

Subd. 3. Contents. A certificate of release executed under this section must contain substantially all of the following:

(1) the name of the mortgagor, the name of the original mortgagee, and, if applicable, the mortgage servicer, the date of the mortgage, the date of recording, and volume and page or document number in the real property records where the mortgage is recorded, together with similar information for the last recorded assignment of the mortgage;

(2) if applicable, the date of any assignment of rents and profits, the date of its recording, and its volume and page or document number in the real property records where it has been recorded or filed, together with similar information for the last recorded assignment thereof;

(4) a statement that the person executing the certificate of release is an officer or a duly appointed agent of a title insurer authorized and licensed to transact the business of insuring titles to interests in real property in this state under chapter 68A;

(5) a statement that the certificate of release is made on behalf of the mortgagor or a person who acquired title from the mortgagor to all or a part of the property described in the mortgage;

(6) a statement that the mortgagee or mortgage servicer provided a payoff statement which was used to make full or partial payment of the unpaid balance of the loan secured by the mortgage;

(7) a statement that full or partial payment of the unpaid balance of the loan secured by the mortgage was made in accordance with the written or verbal payoff statement; and

(8) where the certificate of release affects only a portion of the land encumbered by the mortgage, a legal description of the portion being released.

Subd. 4. **Execution.** (a) A certificate of release authorized by subdivision 2 must be executed and acknowledged as required by law in the case of a deed and may be executed by a duly appointed agent of a title insurer, but such delegation to an agent by a title insurer shall not relieve the title insurer of any liability for damages caused by its agent for the wrongful or erroneous execution of a certificate of release.

(b) The appointment of agent must be executed and acknowledged as required by law in the case of a deed and must state:

(1) the title insurer as the grantor;

(2) the identity of the person, partnership, or corporation authorized to act as agent to execute and record certificates of release provided for in this section on behalf of the title insurer;

(3) that the agent has the full authority to execute and record certificates of release provided for in this section on behalf of the title insurer;

(4) the term of appointment of the agent; and

(5) that the agent has consented to and accepts the terms of the appointment.

(c) A single appointment of agent may be recorded in each county in each recording or filing office. A separate appointment of agent shall not be necessary for each certificate of release. For registered land the appointment of agent shall be shown as a memorial on each certificate of title on which a mortgage to be released by a certificate of release under this section is a memorial. The appointment of agent may be rerecorded where necessary to establish authority of the agent, but such authority shall continue until a revocation of appointment is recorded in the office of the county recorder, or registrar of titles, where the appointment of agent was recorded.

Subd. 5. **Effect.** For purposes of releasing the mortgage, a certificate of release containing the information and statements provided for in subdivision 3 and executed as provided in this section is prima facie evidence of the facts contained in it, is entitled to be recorded with the county recorder or registrar of titles, and operates as a release of the mortgage described in the certificate of release. The county recorder and the registrar of titles shall rely upon it to release the mortgage. Recording of a wrongful or erroneous certificate of release by a title insurer or its agent shall not relieve the mortgagor, or the mortgagor's successors or assigns, from any personal liability on the loan or other obligations secured by the mortgage. In addition to any other remedy provided by law, a title insurer wrongfully or erroneously recording a certificate of release under this section shall be liable to the mortgagee for actual damage sustained due to the recordings of the certificate of release.

Subd. 6. **Recording.** If a mortgage is recorded in more than one county and a certificate of release is recorded in one of them, a certified copy of the certificate of release may be recorded in another county with the same effect as the original. In all cases, the certificate of release shall be entered and indexed as satisfactions of mortgage and releases of assignments of rents and profits are entered and indexed.

Subd. 7. **Application.** This section applies only to a mortgage in the original principal amount of \$1,500,000 or less.

Subd. 3. MS 2012 [Repealed by amendment, 2013 c 10 s 2]

Subd. 4. **Effect.** For purposes of satisfying, releasing, or partially releasing the lien of a mortgage under this section, a certificate that complies with subdivision 2 is prima facie evidence of the facts contained in it, is entitled to be recorded with the county recorder or registrar of titles, operates as a satisfaction or release or partial release of the lien of the mortgage as described in the certificate. The county recorder and the registrar of titles shall rely upon it to satisfy or release or partially release the lien of the mortgage.

Subd. 5. MS 2012 [Repealed by amendment, 2013 c 10 s 2]

Subd. 5a. **Liability.** Execution or recording of a wrongful, erroneous, or unauthorized certificate under this section does not relieve the mortgagor or the mortgagor's successors or assigns from any personal liability on the obligations secured by the mortgage, and, in addition to any other remedies provided by law, a person or entity who wrongfully, erroneously, or without authority executes the certificate is liable to the mortgagee, the mortgagee's assigns, and any person or entity for actual damages sustained due to the execution or recording of the certificate, together with reasonable attorney fees, costs, and disbursements incurred by the damaged party as a result.

The assignment, satisfaction, or release is entitled to be recorded in the office of the county recorder or filed with the registrar of titles, without further evidence of corporate merger, consolidation, amendment, or conversion. For purposes of assigning, satisfying, or releasing the mortgage, the assignment, satisfaction, or release is prima facie evidence of the facts stated in it with respect to the corporate merger, consolidation, amendment, or conversion, and the county recorder and the registrar of titles shall rely upon it to assign, satisfy, or release the mortgage.

507.412 SATISFACTION OR RELEASE BY FEWER THAN ALL MORTGAGEES.

A real estate mortgage securing an undivided debt owned by more than one mortgagee or assignee, including joint tenants, may be satisfied or released by an instrument executed by any one of the mortgagees or assigns unless the mortgage specifically states otherwise. The debt is presumed to be undivided unless the mortgage specifically states otherwise. This section does not affect the rights or liabilities of the holders of the debt secured by the mortgage as among themselves. Unless the mortgage specifically states otherwise, this section does not permit fewer than all of the holders of a mortgage to assign, amend, extend, or foreclose the mortgage, or to discharge the secured debt, as distinguished from satisfying or releasing the mortgage.

The certificate of custodianship must include:
