5B.01 FINDINGS; PURPOSE.

The legislature finds that individuals attempting to escape from actual or threatened domestic violence, sexual assault, or harassment or stalking frequently establish new addresses in order to prevent their assailants or probable assailants from finding them. The purpose of this chapter is to enable state and local agencies to respond to requests for data without disclosing the location of a victim of domestic violence, sexual assault, or harassment or stalking; to enable interagency cooperation with the secretary of state in providing address confidentiality for victims of domestic violence, sexual assault, or harassment or stalking; and to enable program participants to use an address designated by the secretary of state as a substitute mailing address for all purposes.

(c) "Applicant" means an adult, a parent or guardian acting on behalf of an eligible minor, or a guardian acting on behalf of an incapacitated person, as defined in section 524.5-102.

In order to be an eligible person, an individual must reside in Minnesota or must certify that the individual intends to reside in Minnesota within 60 days. 5B.03 ADDRESS CONFIDENTIALITY PROGRAM.

Subdivision 1. **Application.** The secretary of state shall certify an eligible person as a program participant when the secretary receives an application that must contain:

- (1) the full legal name and date of birth of the eligible person;
- (2) a statement by the applicant that the applicant has good reason to believe (i) that the eligible person listed on the application is a victim of domestic violence, sexual assault, or harassment or stalking, or (ii) that the eligible person fears for the person's safety, the safety of another person who resides in the same household, or the safety of persons on whose behalf the application is made, and (iii) that the eligible person is not applying for certification as a program participant in order to avoid prosecution for a crime;
- (3) a designation of the secretary of state as agent for purposes of service of process and for the purpose of receipt of mail;
- (4) the phone number or numbers where the applicant or eligible person can be called by the secretary of state;
- (5) the physical residential address of the eligible person, disclosure of which will increase the risk of domestic violence, sexual assault, or harassment or stalking;
- (6) if mail cannot be delivered to the residential address of the eligible person, the address to which mail should be sent;
- (7) a statement whether the eligible person would like information on becoming an ongoing absentee ballot recipient pursuant to section 5B.06;
- (8) a statement from the eligible person that gives the secretary of state consent to confirm the eligible person's participation in Safe at Home to a third party who provides the program participant's first and last name and date of birth or Safe at Home lot number listed on the program participant's card;
- (9) the signature of the applicant, an indicator of the applicant's authority to act on behalf of the eligible person, if appropriate, the name and signature of any individual or representative of any person who assisted in the preparation of the application, and the date on which the application was signed; and
- (10) any other information as required by the secretary of state.

Subd. 2. **Filing.** Applications must be filed with the secretary of state and are subject to the provisions of section 5.15.

Subd. 3. **Certification.** (a) Upon filing a completed application, the secretary of state shall certify the eligible person as a program participant. Unless the program participant is not a Minnesota resident, program participants must be certified for four years following the date of filing unless the certification is canceled, withdrawn or invalidated before that date. Applicants from outside of Minnesota must be certified for 60 days. Upon receiving notice that the participant has moved to Minnesota, the participant must be certified for four years following the date of filing unless the certification is canceled, withdrawn, or invalidated before that date. The secretary of state shall by rule establish a renewal procedure.

(b) Certification under this subdivision is for the purpose of participation in the confidentiality program established under this chapter only. Certification must not be used as evidence or be considered for any purpose in any civil, criminal, or administrative proceeding related to the behavior or actions giving rise to the application under subdivision 1.

Subd. 4. **Changes in information.** Program participants or applicants must inform the secretary of state of a change of legal name, address, or telephone number.

Subd. 5. **Designated address.** The secretary of state must designate a mailing address to which all mail for program participants is to be sent. Each program participant may have only one designated address.

(a) If the program participant obtains a legal change of identity, the participant loses certification as a program participant.

(b) The secretary of state may cancel a program participant's certification if there is a change in the program participant's legal name or contact information, unless the program participant or the person who signed as the applicant on behalf of an eligible person provides the secretary of state with prior notice in writing of the change.

(c) The secretary of state may cancel certification of a program participant if mail forwarded by the secretary to the program participant's address is returned as nondeliverable.

(d) The secretary of state may cancel a program participant's certification if the program participant is no longer an eligible person.

(e) The secretary of state shall cancel certification of a program participant who applies using false information.

(f) The secretary of state shall cancel certification of a program participant who does not reside in Minnesota within 60 days of Safe at Home certification.

5B.05 USE OF DESIGNATED ADDRESS.

(a) When a program participant presents the address designated by the secretary of state to any person or entity, that address must be accepted as the address of the program participant. The person or entity must

not require the program participant to submit any address that could be used to physically locate the participant either as a substitute or in addition to the designated address, or as a condition of receiving a service or benefit, unless the service or benefit would be impossible to provide without knowledge of the program participant's physical location. Notwithstanding a person's or entity's knowledge of a program participant's physical location, the person or entity must use the program participant's designated address for all mail correspondence with the program participant, unless the participant owns real property through a limited liability company or trust. A person or entity may only mail to an alternative address if the participant owns real property through a trust or a limited liability company and the participant has requested that the person or entity mail correspondence regarding that ownership to an alternate address.

(b) A program participant may use the address designated by the secretary of state as the program participant's work address.

(c) The Office of the Secretary of State shall forward all mail sent to the designated address to the proper program participants.

(d) If a program participant has notified a person or entity in writing, on a form prescribed by the program, that the individual is a program participant and of the requirements of this section, the person or entity must not knowingly disclose the participant's name or address identified by the participant on the notice. If identified on the notice, the person or entity receiving the notice must not knowingly disclose the program participant's name, home address, work address, or school address, unless the person to whom the address is disclosed also lives, works, or goes to school at the address disclosed, or the participant has provided written consent to disclosure of the participant's name, home address, work address, or school address for the purpose for which the disclosure will be made. This paragraph applies to the actions and reports of guardians ad litem, except that guardians ad litem may disclose the program participant's name. This paragraph does not apply to records of the judicial branch governed by rules adopted by the supreme court or government entities governed by section 13.045.

5B.06 VOTING BY PROGRAM PARTICIPANT; ABSENTEE BALLOT.

A program participant who is otherwise eligible to vote may register with the secretary of state as a permanent absentee voter. Notwithstanding section 203B.04, subdivision 5, the secretary of state is not required to send an absentee ballot application prior to each election to a program participant registered as a permanent absentee voter under this section. As soon as practicable before each election, the secretary of state shall determine the precinct in which the residential address of a program participant is located. Upon making a precinct determination, the secretary of state shall either (1) request from and receive from the county auditor or other election official the ballot for that precinct and mail the absentee ballot to the program participant, or (2) using the Minnesota statewide voter registration system, prepare the program participant's ballot for that precinct and mail the absentee ballot to the program participant. The secretary of state shall include with each mailed absentee ballot all corresponding materials for absentee balloting as required by Minnesota law. The program participant shall complete the ballot and return it to the secretary of state, who shall review the ballot in the manner provided by section 203B.121, subdivision 2. If the ballot and ballot materials comply with the requirements of that section, the ballot must be certified by the secretary of state as the ballot of a program participant, and must be forwarded to the appropriate electoral jurisdiction for

tabulation along with all other ballots. The name and address of a program participant must not be listed in the statewide voter registration system.

5B.07 DATA CLASSIFICATION.

Subdivision 1. **Classification of data.** (a) Except for a program participant's name and designated address, all data collected, created, or maintained by the secretary of state related to applicants, eligible persons, and program participants are private data on individuals as defined by section 13.02, subdivision 12. A consent for release of the address from an applicant, eligible person, or program participant is not effective.

(b) A program participant's name and address maintained by a local government entity in connection with an active investigation or inspection of an alleged health code, building code, fire code, or city ordinance violation allegedly committed by the program participant are private data on individuals as defined in section 13.02.

Subd. 2. **Release of data.** (a) Upon request from the Bureau of Criminal Apprehension, the secretary of state may share data that are private under subdivision 1 with the Bureau of Criminal Apprehension. Private data received by the Bureau of Criminal Apprehension may be released to a law enforcement agency upon verification that the release will aid the law enforcement agency in responding to an emergency situation or a criminal complaint or conducting an investigation.

(b) Data maintained by the secretary of state, the Bureau of Criminal Apprehension, and law enforcement agencies related to the process for data sharing under this section are nonpublic data as defined in section 13.02 but may be shared among those agencies. Data related to requests received from law enforcement agencies and the Bureau of Criminal Apprehension under this section are private or nonpublic data.

5B.08 ADOPTION OF RULES.

Enactment of this section satisfies the requirements of section 14.388, subdivision 1 for the enactment of rules to facilitate the administration of this chapter by state and local agencies.

History: 2006 c 242 s 8

5B.09 REPORT TO LEGISLATURE.

The secretary of state shall annually report to the chairs of the legislative committees having jurisdiction over government data practices and public safety stating the number of persons participating in the Safe at Home program during the previous calendar year. The report must be submitted annually by February 1.

History: 2008 c 227 s 4

5B.10 DISPLAY AND RELEASE OF NAME PROHIBITED.

Subdivision 1. **Display by landlord.** If a program participant has notified the program participant's landlord in writing that the individual is a program participant and of the requirements of this section, a local ordinance must not require the display of, and the landlord shall not display, the program participant's name at an address otherwise protected under this chapter.

Subd. 2. **Release to local government entity.** A landlord may provide a program participant's name to a local government entity only in response to a specific request made in connection with an active investigation or inspection of an alleged health, building, or fire code violation, or a violation of a city ordinance allegedly committed by the program participant.

History: 2009 c 105 s 3; 2022 c 83 s 3

5B.11 LEGAL PROCEEDINGS; PROTECTIVE ORDER.

If a program participant's address is protected under section 5B.05, no person or entity shall be compelled to disclose the participant's actual address during the discovery phase of or during a proceeding before a court or other tribunal unless the court or tribunal finds that:

- (1) there is a reasonable belief that the address is needed to obtain information or evidence without which the investigation, prosecution, or litigation cannot proceed; and
- (2) there is no other practicable way of obtaining the information or evidence.

The court must provide the program participant with notice that address disclosure is sought and an opportunity to present evidence regarding the potential harm to the safety of the program participant if the address is disclosed. In determining whether to compel disclosure, the court must consider whether the potential harm to the safety of the participant is outweighed by the interest in disclosure. In a criminal proceeding, the court must order disclosure of a program participant's address if protecting the address would violate a defendant's constitutional right to confront a witness.

Disclosure of a participant's actual address under this section shall be limited under the terms of the order to ensure that the disclosure and dissemination of the actual address will be no wider than necessary for the purposes of the investigation, prosecution, or litigation.

Nothing in this section prevents the court or other tribunal from issuing a protective order to prevent disclosure of information other than the participant's actual address that could reasonably lead to the discovery of the program participant's location.

5B.12 AUTHORITY TO ACCEPT FUNDS.

Notwithstanding sections 16A.013 to 16A.016, the secretary of state may accept funds contributed by individuals and may apply for grants from charitable foundations to be used for the address confidentiality program established in section 5B.03. In addition, the secretary of state may apply for grants from the federal government for purposes of the address confidentiality program. If the secretary of state accepts federal funds and the terms of the grant do not require the state to maintain its effort, section 3.3005 does not apply. If the secretary of state accepts federal funds and the terms of the grant do require the state to maintain its effort, section 3.3005 applies. The funds accepted under this section must be deposited in accounts in the special revenue fund and are appropriated to the secretary of state for use in the address confidentiality program. The secretary of state shall report by January 15 each year to the chairs and ranking minority members of the finance committees of the house of representatives and the senate with jurisdiction over the secretary of state the total amounts received in the preceding calendar year, the sources of those funds, and the uses to which those funds were or will be put. Any contributions from program participants must be aggregated, and the names of program participants must not be reported.
