

6.495 EXAMINATION OF FIRE RELIEF ASSOCIATIONS.

Subdivision 1. **Audit and examinations.** All powers and duties conferred and imposed upon the state auditor with respect to state, county, and first-class city officers, institutions, and property are hereby extended to the various fire relief associations in the state. The state auditor shall annually audit the special and general funds of the relief association or, at the request of the board of trustees or the municipality, the state auditor may contract for an annual audit by a certified public accountant. The state auditor may determine that an annual audit is not necessary, in which case the state auditor shall develop a plan for examination of unaudited relief associations, and shall prescribe suitable systems of accounts and budgeting, and forms, books, and instructions concerning the same.

Copies of the written report of the state auditor on the financial condition and accounts of the relief association must be filed with the board of trustees of the relief association and the governing body of the municipality associated with the relief association. If the report discloses malfeasance, misfeasance, or nonfeasance with regard to relief association funds, copies thereof must be filed with the city attorney or county attorney in the city or county in which the relief association is located, and these officials of the law shall institute proceedings, civil or criminal, as the law and public interest require.
