86B.304 WATERCRAFT SAFETY PROGRAM.

(a) The commissioner must establish a water safety course and testing program for personal watercraft and watercraft operators and must prescribe a written test as part of the course. The course must be approved by the National Association of State Boating Law Administrators and must be available online. The commissioner may allow designated water safety courses administered by third parties to meet the requirements of this paragraph and may enter into reciprocity agreements or otherwise certify boat safety education programs from other states that are substantially similar to in-state programs. The commissioner must establish a working group of interested parties to develop course content and implementation. The course must include content on best management practices for mitigating aquatic invasive species, reducing conflicts among user groups, and limiting the ecological impacts of watercraft.

(b) The commissioner must create or designate a short boater safety examination to be administered by motorboat rental businesses, as required by section 86B.306, subdivision 3. The examination developed under this paragraph must be one that can be administered electronically or on paper, at the option of the motorboat rental business administering the examination.
